

# Digvijaya slams PM for accusing Cong of taking money from Adani-Ambani

**PTI, RATLAM:** Senior Congress leader Digvijaya Singh on Thursday attacked Prime Minister Narendra Modi for accusing the opposition party of taking money from "Adani and Ambani".

Speaking at a rally in Telangana on Wednesday, PM Modi accused the Congress of having a "deal" with Ambani and Adani, and asked if the party has received "tempo loads of black money" from the two businessmen for its leader Rahul Gandhi to stop "abusing" them.

"I want to ask from Telangana soil, let the 'shehzada' announce, how much has been lifted from

**Modiji said Ambani and Adani have sent money to Congress. Then were the Enforcement Directorate, CBI napping? We are ashamed of calling him our PM. He is not true even to Adani and Ambani - Digvijaya Singh, Senior Congress leader**

Ambani-Adani. Has tempo loads of money reached the Congress? What deal has been arrived at that abusing Ambani-Adani has stopped overnight?" the PM said while addressing an election rally at Vemulawada in Telangana.

Hitting back, Singh, addressing a rally in Ratlam, said, "Modiji said Ambani and Adani have sent money to Congress. Then were the Enforcement Directorate, CBI napping? We are ashamed of calling him our

PM. He is not true even to Adani and Ambani."

Modi promised to bring back black money stashed abroad but instead it was going overseas, Singh further alleged.

Some 100 families own all the capital in India and the country's economy would collapse if they move out, the Congress Rajya Sabha MP further claimed.

"The note ban rendered three crore people jobless. The Modi government has

not waived loans of farmers in the last 10 years. Our (UPA) government had written off farm loans totalling Rs 72,000 crore," Singh said.

Asserting that several leaders were on big posts even though they have not managed to win from their own booths, Singh said "we should take a resolve to ensure Congress wins at each booth".

The Congress has fielded former Union minister Kantilal Bhuria against BJP's Anita Chauhan, wife of Madhya Pradesh Forest Minister Nagar Singh Chauhan, from Ratlam, where Lok Sabha polls will be held on May 13.

## EC orders repoll at polling station in Guj

**PTI, AHMEDABAD:** The Election Commission (EC) has ordered fresh voting on May 11 at a polling station under the Dahod Lok Sabha seat in Gujarat from where a man live-streamed voting on May 7, the video of which went viral, an official said Thursday.

Four election officials, including a presiding officer, an assistant presiding officer and two polling officers as well as a police

constable were suspended in connection with the incident, the office of the Gujarat Chief Electoral Officer (CEO) said in a release.

The ECI declared null and void the voting which took place at Parthampur polling station at Santram-pur taluka in Mahisagar district after taking into account a report submitted by the Returning Officer and Observer regarding irregularities, the CEO said.

As soon as the irregularities were reported, the CEO sought a report from the RO regarding the incident, it said.

The report was sent to the Election Commission, which under section 58, sub-section 2 of the Representation of the People Act, declared the polling held at the polling station on May 7 as null and void. A fresh polling has been scheduled.

## SPEAKER DISMISSES DISQUALIFICATION PETITION AGAINST LOBO, KAMAT

The Speaker said that the petitioner failed to prove that the two respondents had voluntarily given up the membership of the Congress party as on July 11, 2022 and consequently incurred disqualification under the Tenth Schedule of the Constitution, as claimed by him.

On April 15, 2024, the Supreme Court while hearing the petition filed by a Congress leader seeking speedy hearing in 2022 disqualification petition against eight rebel Congress MLAs, had observed that the delay was apparent in the matter and had directed the Speaker to expedite the petition.

Representing the Goa Assembly Speaker, Senior Advocate Mahesh Jethmalani had told the Apex Court that disqualification petitions filed prior to the present petition shall be disposed first and then this disqualification petition will be taken up by the Speaker. The matter is now likely to come up before the Supreme Court on Friday, May 10.

## FADING SIGNS OF A 'DIRECTIONLESS' SMART CITY

Deputy Mayor Sanjiv Naik said, "Signages have been removed because work is going on in the city. They will be installed once the road works are complete. People are entering 'no entry' zones as other roads are dug. Once the road works are ready, everything will fall in place."

When contacted, Panjim Traffic Cell PI Chetan Saulekar said, "We have written a letter to the Imagine Panaji Smart City Development Ltd with regards to signages. As the work is going on, it has not been done. They will mark areas meant for the parking and install boards for two-wheelers and four-wheelers. The signboards were removed as the roadworks were undertaken."

In a statement, IPSCDL said, "Wherever Smart City works are underway, new signages will be installed after the completion of the road works — three-km in Central Panjim and three-km at St Inez. All balanced roads are under CCP where they have installed and are maintaining the signages."

## CRACKS WITHIN THE BJP WIDEN POST-LS POLLS

He said, "They attended meetings. The core team of Savitri was moving with Congress workers. But I am confident that we will get the lead. In terms of lead, we will be either first or second."

However, 'Babu' Kavlekar said that it is wrong to say that he or his wife did not work for the BJP candidate.

Kavlekar said that Meshu D'Costa and others have clarified their stand at Sanguem, on Thursday, wherein they denied the minister's claim that they did not work for the BJP candidate Pallavi Dempo. "The Minister is trying to defame Savitri Kavlekar only because she had contested against him," they said.

This is second time, Phal Desai has accused Kavlekar. In the past he had alleged that Kavlekar was funding his opponents to work against him in Sanguem constituency.

Meanwhile, BJP State President and MP Sadanand Shet Tanavade said that the Kavlekar couple had declared their support to the party. "I don't know if anyone has worked against us," he added.

The Sanguem Assembly segment represented by Phal Desai had polled highest 82.22 per cent polling.

## FOUR BLASTS ROCK BICHOLIM, SEND FIRE-BALLS ROLLING ONTO THE ROAD

The resident said, "When we rushed out, we saw there was fire everywhere. There were no lights. Earlier, I had made at least 10 complaints, but no action was taken on a single complaint."

A third resident stated that a scooterist told him that the fire flew over his head as he was riding. "Anything could have happened to me, the scooterist told me," he said. "He told me his mother was with him. We were outside. Our wall was vibrating. There was thick black smoke which emanated from the factory. There were four to five blasts. Such blasts have not taken place

in the last 25 years since I am staying here. The fire crossed their compound wall. It was like a bomb blast," he narrated.

Stating that there were no injuries, Bicholim Police Inspector Dinesh Gadekar said, "The blast occurred at a boiler while melting metal scrap. The factory melts metal and the blast reportedly took place because the water got mixed in the furnace."

A fire accident case has been registered and inquiry is on, he added.

The Bicholim Fire Services said they got the call at 7.10 pm. The iron furnace caught fire, they stated. Just one fire tender rushed to the site and doused the fire. It took an hour and 10 minutes for four fire personnel to extinguish the fire. The factory owner has not provided the details of the estimated loss. The operation was carried out under the directions of Station Fire Officer Rahul R Desai, with four firemen, two drivers and a head constable.
