PANJIM: The Goa College of Agriculture (GCA) celebrated a significant milestone with the inauguration of its new playground, spanning 13,000 square metres, at Ela-Old Goa, recently.

The event was graced by chief guest Director of Agriculture Nevil Alphonso, who officially opened the playground in the presence of the college's Principal Dr Suresh Kunkalikar, along with the teachers, students and staff members. In his address, Alphonso expressed his delight over the significant milestone and highlighted the importance of sports in the

holistic development of students. He urged the students to actively participate in various games to maintain their physical health and overall well-being. Adding to the celebratory atmosphere, Alphonso also released the college magazine titled "Everyone Loves Agriculture", aptly named after the place Ela, the location of the Goa College of Agriculture. The newly established

playground, set amidst the scenic and beautiful campus, buzzed with excitement as students enjoyed a day filled with football and cricket matches. The playground is designed to accommodate a variety of sports including football, baseball, cricket, hockey, lagori, long jump, high jump, kabaddi, and more, providing a comprehensive sports environment for the students.

Chhangte 'ready' to step up as next No. 9 in post Chhetri era

PTI, KOLKATA: Talented winger Lallianzuala Chhangte "would not mind" stepping up as the next number 9 of the Indian football team, after talismanic forward Sunil Chhetri's illustrious career comes to an end here on June 6.

Chhetri, who has been a pivotal figure of Indian football for 19 years, is set to make his final appearance in the World Cup qualifier against Kuwait at the Salt Lake Stadium here on June 6.

"Of course, I won't mind if the team wishes for me to play in the center," the 27-year-old Chhangte, who plays for Indian Super League final winning side Mumbai FC, said during a media interaction here on Thursday.

"My height and attributes are suited for a proper number 9. Ultimately, it's God's decision, but I would not mind if the country needs me in that role."

"Everyone is sad. But looking at all his achievements, we are happy for him as well. We will miss him a lot in the dressing room and what he has done for the country. I hope someone will take responsibility," added Chhangte, who was adjudged the AIFF Player-of-the-Year in 2023.

He further recalled his India debut and how Chhetri boosted his confidence. "It was very, very interesting. The first time I played for India, he called me and told me to be myself to enjoy the game. It's a privilege to play alongside him. I want to cherish every single training session with him."

He was talking to the media on the sidelines of the Blue Tigers first practice session here ahead of the Kuwait match.

The Chhetri-led side arrived in the city on Wednesday, after their national camp in Bhubaneswar. The 39-year-old Chhetri had announced his retirement from international football after the Kuwait match in an

emotional video posted on his social media handle earlier this month.

Having made his international debut against Pakistan in 2005, Chhetri went on to become the most-capped Indian footballer (150 matches). With 94 goals, he is the third-highest goal-scorer among active players with global superstars Cristiano Ronaldo and Lionel Messi ahead of him.

Chhangte emphasised the importance of teamwork over individual roles within the national squad.

"It's not about taking over from Chhetri bhai. Once it comes to the national team, it's about working together as a team. You can't rely on one player," Chhangte, who was the highest Indian goalscorer (10 goals 15 matches) in the last ISL, said. Reflecting on Chhetri's impending retirement, Chhangte expressed confidence in the team's collective strength. "I strongly believe that even though Chhetri bhai won't be there in the future, we will work as a team."

Currently placed second in their group with four points from four matches, India are aiming to secure a top-two finish to qualify for Round 3 of the FIFA World Cup Qualifiers and earn a spot at the AFC Asian Cup Saudi Arabia 2027.

The Mizoram forward urged the crowd to come out in huge numbers so that they can give Chhetri a fitting farewell.
