

## Ex-OpenAI staff of Indian origin dies by suicide in US

**26-year-old whistleblower Suchir Balaji found dead in his San Francisco apt: Authorities**

PTI, NEW YORK: A 26-year-old Indian-origin former employee of the artificial intelligence giant OpenAI has died by suicide in San Francisco, authorities said.

Suchir Balaji was found dead inside his Buchanan Street apartment in San Francisco on November 26, San Francisco police and the Office of the Chief Medical Examiner were quoted as saying by The Mercury News.

The medical examiner's office determined the manner of death to be suicide and police officials said there is "currently, no evidence of foul play".

### WHO WAS SUCHIR BALAJI?

He was known for whistleblowing the blockbuster AI company which is facing a swell of lawsuits over its business model

He publicly accused OpenAI of violating US copyright law while developing ChatGPT, the report said

In an interview with the NYT in Oct 23, he argued that OpenAI was harming businesses and entrepreneurs whose data were used to train ChatGPT

Left OpenAI because he no longer wanted to contribute to technologies that he believed would bring society more harm than benefit, the report added
