Centre to hold meeting with protesting farmers on Feb 14

Dallewal takes medical aid, continues fast-unto-death

PTI, CHANDIGARH: The Centre will hold a meeting with Punjab's protesting farmers on February 14 in Chandigarh to discuss their demands, thus ending a stalemate over the resumption of a dialogue with the agitators, who have been demanding a legal guarantee on the MSP for crops.

FARMER PROTESTS

Following the announcement of the proposed meeting, farmer leader Jagjit Singh Dallewal, whose fast-unto-death entered the 54th day on Saturday, agreed to take medical aid.

However, he will not end his indefinite fast till a legal guarantee on the minimum support price (MSP) for crops is given, said farmer leader Sukhjot Singh Hardeo. Later, pictures showing Dallewal taking medical aid with an intravenous drip were released by the farmers. The breakthrough came after a delegation of officials from the Union agriculture ministry, led by Joint Secretary Priya Ranjan, met Dallewal and held a meeting with the representatives of the Samyukta Kisan Morcha (Non-Political) and Kisan Mazdoor Morcha (KMM), which are

spearheading the agitation for the last 11 months.

Following the announcement of the meeting on February 14, farmer leaders appealed to Dallewal to take medical aid so that he can participate in the proposed deliberations.

The Centre's delegation also urged Dallewal to take medical aid so that he can participate in the proposed meeting, which will take place at the Mahatma Gandhi State Institute of Public Administration at Chandigarh at 5 pm on February 14.

Talking to reporters at the Khanauri protest site, Ranjan said a high-level delegation was sent by the Centre, keeping in mind the deteriorating health of Dallewal.

"We enquired about his health and held a meeting with the representatives (of the protesting farmer bodies)," he said.

Ranjan said the meeting will be held in Chandigarh on February 14.

"We urged him (Dallewal) to break his fast and take medical aid, so that he can participate in the meeting," he said.

A letter addressed to Dallewal, SKM (Non-Political) and KMM read: "This is in continuation of the previous meeting with the leaders of SKM (Non-Political) and Kisan Mazdoor Morcha (KMM), which was held on February 15, 2024 at Chandigarh.

"A meeting with the ministers of the government

of India and the Punjab government regarding the demands of the farmers' unions has been convened on February 14, 2025 (5 pm) at the Mahatma Gandhi State Institute of Public Administration Punjab (MGSIPA), Sector-26, Chandigarh. You are cordially invited to the meeting, please attend at the scheduled time. We hope that Dallewal will soon end his fast, recover and join the discussion," said the letter written by Ranjan.

Four rounds of meetings had taken place between Union ministers and the

protesting farmers on February 8, 12, 15 and 18 last year, but the talks remained inconclusive.

Earlier in the day, the farmers protesting at the Khanauri and Shambhu border points between Punjab and Haryana said they have received a proposal from the central government which they will discuss.

The Centre's delegation held meetings with the representatives of both the forums.

A Punjab government team led by retired additional director general of police Jaskaran Singh and former deputy inspector general of police Narinder Bhargava, who were holding discussions with the farmer leaders, was also present.

According to farmer leader Abhimanyu Kohar, officials have said February 14 has been fixed for the meeting as Assembly polls are due in Delhi and the Model Code of Conduct will be in force in the capital till February 9.

When the Model Code of Conduct is in force, no government can make any announcement, Kohar said.

Sharing details about Dallewal's health, Kohar said the farmer leader was unable to take water and had been vomiting.

Four killed as fire breaks out in house in Ghaziabad

PTI, GHAZIABAD (UP): Four people, including three members of a family, were charred to death in sleep after a fire broke out in a house here due to a short circuit early Sunday, officials said.

The fire broke out in a multi-storey building in the Kanchan Park area under the Loni police station jurisdiction.

According to the fire department, information about the incident was received at the Loni fire station at 7.06 am and three fire engines were pressed into service.

After reaching the spot, it was found that the fire had broken out on the second and third floors of the house and people were trapped inside. The house was in a congested lane and hence the fire engines were parked outside and water spraying was started after extending hose pipes through adjacent houses, it said.

The narrow staircase and the smoke in the house made it difficult to go up and the walls of the house were broken down, it added. Four people were found on the terrace of the building. Two of them — Ayesha and her four-year-old son Ayan — were injured and the other two — Shahnawaz and Shamsad — were evacuated safely, the officials said.

After dousing the blaze, firefighters found

four bodies inside the house, Chief Fire Officer Rahul said.

3 dead, 5 missing after boat capsizes in Bihar

PTI, KATIHAR: Three persons, including a three-year-old child, died and five others went missing after a boat capsized in the Ganga in Bihar's Katihar district on Sunday, officials said.

The boat, carrying 15 people, capsized near Golaghat in Amdabad area, they said.

Seven people have been rescued so far, and some of them managed to swim to the river bank, the officials said.

Bihar Chief Minister Nitish Kumar consoled the deaths and announced an ex gratia of Rs 4 lakh each for the family members of the deceased.

"The rescue operation is still underway to locate the five missing persons. An investigation has been ordered to find the cause of the incident," District Magistrate Manesh Kumar Meena told PTI.

Budget must eliminate 'raid raj, tax terrorism': Cong

PTI, NEW DELHI: The Congress claimed Sunday the Modi government's "retrograde policies" have broken the confidence of investors in India and converted "ease of doing business to unease in doing business".

The upcoming budget must eliminate "raid raj and tax terrorism" to fix this, the opposition party said.

It also called on the government to take action to protect Indian manufacturing jobs and take decisive action to shore up wages and purchasing power.

Congress General Secretary (In-charge, Communications) Jairam Ramesh said the Modi government has long proclaimed its desire to improve the "ease of doing business" in India but yet in the past decade "we have only seen an easing of private investment which has fallen to record lows and the easing out

"A byzantine, punitive, and arbitrary tax regime covering both GST and income tax - which amounts to sheer Tax Terrorism - is now the greatest threat to India's prosperity and has contributed to an 'unease of doing business,'" he said in a statement.

The biggest component of investment which is private domestic investment has been weak since 2014, Ramesh said, adding it was solidly in the 25-30% of GDP range during Manmohan Singh's tenure as PM.

"In the last ten years, it has collapsed to the 20-

25% of GDP range. This sluggish investment has been accompanied by a mass exodus of high-net-worth individuals. More than 17.5 lakh Indians have acquired the citizenship of another country over the past decade," he said.

Clip of IIT Madras Director Kamakoti favouring 'Gomutra' goes viral

PTI, CHENNAI: A video clip of the IIT Madras Director V Kamakoti purportedly praising the 'medicinal value' of 'Gomutra', while speaking on protecting indigenous breeds of cows and the significance of switching to organic farming, has gone viral in the social media.

Addressing an event at a Go Samrakshana Sala on the day of Maatu Pongal (January 15, 2025) here, he narrated an anecdote from the life of a sanyasi and said the ascetic, when he had high fever, consumed gomutra and he was cured.

The director said, therefore, gomiyaam (cow urine/gomutra) has, "anti-bacterial, anti-fungal, and digestive properties," and it is useful as a medicine for conditions such

as the Irritable Bowel Syndrome and batted for consideration of cow urine's "medicinal value."

He made this remark after underlining the importance of organic farming and the crucial role played by indigenous breeds of cattle in agriculture and the overall economy.

Rationalist outfit Dravidar Kazhagam slammed the Gomutra remark saying it went against the truth and was "shameful".

DMK leader TKS Elango-van hit out at Kamakoti for

his remark and alleged that the intention of the central government is to 'spoil' education in the country.

Thanthai Periyar Dravidar Kazhagam leader K Ramakrishnan said Kamakoti should give proof for his claim or he must tender an apology. "If he does not apologise, we will stage protest against him."

Congress leader Karti P Chidambaram slammed the remark, and said: "Peddling pseudoscience by @iitmadras Director is most unbecoming @IMAIndiaOrg."
