Seeking capital punishment for convict, govt moves Calcutta HC against life term till death order

PTI, KOLKATA: The West Bengal government on Tuesday moved the Calcutta High Court seeking death penalty of convict Sanjoy Roy in the RG Kar hospital doctor's rape and murder case, challenging the order of the trial court that sentenced him to life imprisonment till death.

The state's move came in less than 24 hours after Chief Minister Mamata Banerjee expressed her disappointment with the verdict on Monday and announced her intent to challenge the judgment before a higher court.

Advocate General Kishor Datta moved a division bench comprising Justices Debansu Basak and Md Shabbar Rashidi on Tuesday morning, seeking the court's leave to file the appeal challenging the order passed by Additional District and Sessions Judge in Sealdah, Anirban Das.

"The government has moved the high court and secured the court's permission to file the appeal," an official said.

High court sources maintained that the hearings pertaining to the appeal may begin as early as Wednesday since the due

The Aparajita Bill passed by the West Bengal Assembly in September 2024 seeks capital punishment for rape convicts if their actions result in the victim's death or leave her in a vegetative state and stipulates life sentence without parole for other perpetrators

process of filing the case was completed by the state by Tuesday end.

The Sealdah court sentenced Roy to life imprisonment until death after he was convicted of raping and murdering the on-duty doctor at the state-run RG Kar Medical College and Hospital, rejecting demands for the death penalty saying it was not a "rarest of the rare" crime.

The court also ordered Roy to pay Rs 50,000 fine and directed the state government to pay compensation of Rs 17 lakh to the family of the deceased doctor.

Holding that "in the realm of modern justice, we must rise above the primitive instinct of an eye for an eye or a tooth for a tooth or nail for a nail or a life for a life", Das awarded rigorous imprisonment to Roy, the sole convict in the case, for the remainder of

his natural life.

Asserting that the RG Kar incident was a "rare, heinous and sensitive crime", West Bengal Chief Minister Mamta Banerjee on Tuesday said if someone gets away after committing a crime, he will again do it and "it is not our job to give him protection."

On Monday, she had expressed dissatisfaction with the Sealdah court's verdict, asserting that had the case been handled by the Kolkata Police, the death penalty would have been ensured.

Reiterating her dismay at the judgment and voicing her cry for death penalty, Banerjee, while addressing a public meeting in Malda on Tuesday, said, "I have been seeking capital punishment for the accused in the RG Kar rape-murder case. If someone is so demonic and barbaric, how

can society remain humane? We passed the Aparajita Bill, but the Centre is sitting on it."

"We have included the death penalty in the Aparajita Bill. We want this Bill to become a model for the country," she added.

The Aparajita Bill passed by the West Bengal Assembly in September 2024 seeks capital punishment for rape convicts if their actions result in the victim's death or leave her in a vegetative state and stipulates life sentence without parole for other perpetrators.

The chief minister said if someone is given life imprisonment, the person can get parole.

If someone gets away after committing such acts,

he will keep repeating such crimes, she said adding, "It is not our job to give him protection."

Responding to the CM's comment, the victim's father urged the leader to go slow.

BJP manifesto dangerous, will stop free education in govt schools: Kejriwal

PTI, NEW DELHI: Former Delhi Chief Minister Arvind Kejriwal on Tuesday described the BJP's election manifestos as "dangerous for the country" and said it wants to dismantle free health services and education in government schools.

In a press conference, Kejriwal accused the BJP of revealing its "true intentions" in the manifestos and warned voters against supporting the party. "If the BJP comes to power, they will stop free education, end free health facilities and make it difficult for the poor to sur-

vive in Delhi. This is a direct attack on the welfare of the common man," he said.

The BJP in its first poll manifesto for Delhi released last week on Friday promised Rs 2,500 monthly aid for women, Rs 21,000 for every pregnant woman, LPG cylinders at Rs 500 and also Rs 2,500 pension for senior citizens.

The manifesto also promises a financial boost for students preparing for competitive exams like the UPSC Civil Services and State PCS, offering Rs 15,000 for up to two attempts.

Saif Ali Khan discharged from Mumbai's Lilavati Hospital

PTI, MUMBAI: Actor Saif Ali Khan, admitted to Mumbai's Lilavati Hospital after being stabbed during a robbery attempt at his home five days ago, walked out of the private medical facility on Tuesday evening.

The 54-year-old actor got into a car after leaving the hospital on getting discharged and later reached his 'Satguru Sharan' residence in Bandra, located at a short distance from Lilavati Hospital.

The Bollywood star, who suffered multiple stab in-

juries in the attack by an intruder at his 12th floor home in the early hours of January 16, underwent an emergency surgery at the hospital soon after he was admitted.

Doctors had earlier said Khan had three injuries, two on the hand and one on the right side of the neck, and the major part was at the back, which was in the spine. They removed the sharp object that was lodged in the spine and repaired the injury.

NEP will make students, youths ready to build empowered India: Odisha CM

PTI, BHUBANESWAR: The National Education Policy, 2020 would help in preparing students and youths for building a modern and empowered India, Odisha Chief Minister Mohan Charan Majhi said on Tuesday.

Majhi, while inaugurating a three-day national workshop on the NEP, said it will play an important role in realising the goal of Prime Minister Narendra Modi to build a viksit Bharat (developed India).

The policy would help in creating a strong infrastructure and provide quality education at the primary level, he said.

The NEP will be implemented in Odisha from the next academic year, Majhi said.

The use of technology in imparting education will be enhanced. Providing education through technology will become an integral part of our academic system, the chief minister said.

Union Education Minister Dharmendra Pradhan, speaking on the occasion, said Odisha is going to be a model for the entire nation in bringing reforms to the education system.

Both the Centre and the Odisha government are working together in that direction, he said.

After the BJP formed government in the eastern state, concrete steps have been taken on the implementation of the NEP in letter and spirit, the minister said.
