

Lone Manipur JD(U) MLA affirms support to BJP-led NDA govt in state

PTI, NEW DELHI: The lone Janata Dal (United) MLA in Manipur, Muhammad Abdul Nasir, announced on Thursday that he will continue to support the BJP government in the state. Nasir's assertion came a day after the JD(U)'s Manipur

president, Ksh Biren Singh, announced the withdrawal of support to Chief Minister N Biren Singh-led government, creating a flutter. The JD(U) swung into damage-control mode by sacking him and reiterating support to the BJP dispensation.

India set to display its military prowess, rich cultural heritage on Jan 26

PTI, NEW DELHI: India is all set to display its military prowess and culture heritage on Kartavya Path here on the 76th Republic Day, having successfully conducted a full dress rehearsal of the ceremonial parade on Thursday. While 75 years of enactment of the Constitution is the focus of celebrations this year, the theme for the tableaux is 'Swarnim Bharat: Virasat aur Vikas'.

Sixteen tableaux from across states and Union Territories and 15 from central ministries, departments and organisations will be part of the ceremonial parade.

Besides, the DRDO will present a tableau with the theme 'Raksha Kavach' -- Multi-layer protection against Multi-domain Threats, the defence ministry said.

In a first, a tri-services tableau depicting the spirit of "jointness" among the armed forces will also roll down the historic Kartavya Path as part of the parade.

The tableau would enact a battlefield scenario with a synchronised operation in land, water and air featuring indigenous Arjun battle tank, Tejas fighter aircraft and advanced light helicopter, according to the defence ministry.

The theme of the tri-services tableau will be 'Shashakt aur Surakshit Bharat' (Strong and Secure India).

A marching contingent and a band contingent from Indonesia will take part in the 76th Republic Day Parade where Indonesian President Prabowo Subianto will be

the chief guest.

The two contingents also took part in Thursday's full dress rehearsal.

Soon after the rehearsal, the Army held a press interaction near India Gate and shared details about various contingents and

bands taking part in it.

Tasya Putri from Indonesia's military academy and a member of the band contingent along with some members of her country's marching contingent, also interacted with media after the briefing.

FIRST DEATH ANNIVERSARY

ED arrests 3 advocates in Patna Railway Claims Tribunal 'fraud' case

PTI, NEW DELHI: The Enforcement Directorate (ED) on Thursday said it has arrested three advocates in a money laundering case linked to alleged siphoning of compensation sanctioned by the Railway Claims Tribunal in Patna.

The federal agency said in a statement that it recently raided four locations related to Judge R K Mittal and some advocates in Patna and Nalanda in Bihar, and Mangaluru in Karnataka.

Three advocates -- Bidyanand Singh, Parmanand Sinha and Vijay Kumar -- were arrested on Wednesday for the offence of money laundering related to this "scam". The three have been sent to judicial custody by a special Prevention of Money Laundering Act (PMLA) court in

Patna, the agency said.

The ED said its case stems from FIRs filed by the Central Bureau of Investigation (CBI) regarding "mass-scale" irregularity and criminality in the death claim cases filed, processed and decided by the Railway Claims Tribunal in Patna.

In accidental railway death claim cases, only a part of the decreed amount awarded to the claimants was received by them and a major chunk was siphoned off by the conspirators, the ED alleged.

"Bidyanand Singh and his team of advocates, including Parmanand Sinha and Vijay Kumar, dealt with around 900 cases where decrees or execution orders were issued by Judge R K Mittal and about Rs 50 crore compensation was awarded to the claimants.

50 kg IED planted by Naxalites recovered in Chhattisgarh

PTI, BIJAPUR: Security forces on Thursday recovered a powerful 50 kg Improvised Explosive Device (IED) planted by Naxalites in Chhattisgarh's Bijapur district, the police said.

The remote-controlled IED under a culvert near Timapur Durga temple on Basaguda-Awapalli Road was detected by the Bomb Disposal Squad (BDS) of the 168th battalion of the CRPF when it was out on de-mining exercise, an official said.

The Naxalites had removed some stones and cement to create a cavity for the IED which was then

covered with stones, he said.

But the metal detector found it, the police official added.

The BDS first tried to remove it safely, but since the IED was planted deep under the surface, it was neutralised through a controlled explosion, he said.

The culvert was damaged in the process and was being repaired to enable resumption of traffic, the official said.

The IED could be activated through a remote control and Naxalites have used this mechanism in the past, the official said.

72 flights affected due to dense fog at Kolkata airport

PTI, KOLKATA: Flight operations at Kolkata's Netaji Subhas Chandra Bose International (NSCB) Airport were disrupted on Thursday due to dense fog, affecting the movement of at least 72 flights, officials said.

Kolkata Airport director Pravat Ranjan Beuria said 39 departures and 21 arrivals were delayed due to fog in addition to 12 flights getting diverted. "Of the 12 incoming flights, seven were diverted to Bhubaneswar, three to Ranchi, one to Chennai and one to Shamshabad," Beuria said, adding that two aircraft returned to parking bays from the ramp.

"Flight operations were affected between 5 am and 10 am. Visibility began improving after 9 am and things were normal around 10 am," an AAI spokesperson at the airport said.

Despite being equipped with the CAT III-B instrument landing system (ILS), which allows operations in visibility as low as 50 meters.
