

BDO conducts site inspection over alleged unauthorised construction by sarpanch at Seraulim

Team Herald

MARGAO: A team of officials from the Block Development Office (BDO) conducted a site inspection in Seraulim following allegations of unauthorised construction carried out by the local Sarpanch.

The complaint was lodged by Joaquim Dias, a resident of Seraulim, who accused the Sarpanch of engaging in illegal construction activities. Dias further alleged that the Sarpanch had been misrepresenting facts and exploiting undue influence

within the village panchayat to facilitate commercial operations within the disputed structures.

According to the complaint, the Sarpanch had initially sought permission from the panchayat to construct a hut on her property. However, documents obtained through RTI, revealed that the Sarpanch had not formally submitted a written application for permission. Moreover, essential documentation, such as property title deeds and detailed plans or sketches, was reportedly not provided to the village panchayat.

While the panchayat resolved to issue a no-objection certificate (NOC) for the construction of a temporary hut, Dias pointed out that the resolution was neither formally proposed nor seconded by any panchayat members during the meeting. This, he argued, rendered the NOC invalid.

Dias also highlighted that the panchayat lacked several key documents required for legal construction, including a site plan, elevation plan, technical clearance, land conversion sanad, and a construction licence.

Borim locals demand removal of rumbler strips from dilapidated culvert

PONDA: Concerned residents of Borim have called for the removal of the rumbler strips installed on the deteriorating culvert at Top Cola, Borim, citing safety risks to commuters and the weakening structure itself. They have suggested relocating the rumbler strips to another section of the road.

“The condition of the culvert is already poor, and the rumbler strips are only making it worse. The vibrations from vehicles are weakening the structure — a local resident

the rumbler strips are only making it worse. The vibrations from vehicles are weakening the structure,” said a local resident.

Locals have urged the National Highways (NH) authorities to address the issue urgently, by repairing the culvert and relocating the rumbler strips to a safer location. “The authorities need to take immediate action before an accident occurs,” another resident added.

Locals have reported the issue to the NH authorities but claim no action has been taken so far. They have now appealed to the government to prioritise repairs and maintenance of the culvert to prevent any potential accidents.

The culvert, dating back to the Portuguese era, was originally built using inter-locked laterite stones and later widened with concrete extensions. However, the original laterite section has significantly weakened over time. Locals attribute this deterioration to the rumbler strips, which were

installed directly above the culvert.

According to residents, heavy vehicles passing over the rumbler strips cause a hammering effect on the structure, further compromising its stability. They fear that the weakened culvert could collapse at any moment, posing a serious risk to public safety.

THANKSGIVING

THREE DAYS MIRACLE PRAYER TO THE HOLY SPIRIT
Holy Spirit, you who make me see everything and show me the way to reach my ideals.
You who give me the divine gift to forgive and forget the wrong that is done to me and you who are in all instances of my life with me.
I, in this short dialogue want to thank you for everything, and confirm once more that I never want to be separated from you, no matter how great the material desires may be.
I want to be with you and my loved ones in your perpetual glory.
Amen.
From: E. D'Souza (Melbourne)

Thank you Our Lady of Livramento for all favours granted. By Vheleirie Lobo

THE MIRACLE PRAYER
Dear Sacred Heart of Jesus, in my life I have asked for many favours, this time, I ask you this special one (mention favour). Take it, dear Heart of Jesus and place it in Your own broken heart, where our Father sees it, then in His merciful eyes it will become Your favour, not mine. Amen.
Say this prayer for 3 days and promise publication and the favour will be granted, no matter how impossible. Never know to fail.

FDA prohibits use of Nimesulide for animals across State

Team Herald

PANJIM: The Directorate of Food and Drugs Administration (FDA) has announced a ban on the manufacture, sale, and distribution of Nimesulide and its formulations for animal use under the Drugs and Cosmetics Act, 1940.

The prohibition follows a recommendation by the Drugs Technical Advisory Board, which highlighted the risks associated with the use of Nimesulide in animals. The advisory board further noted that safer alternatives to these drug formulations are readily available.

In light of this decision, the FDA has issued directives to all drug retailers, wholesalers, manufacturers, and veterinary establishments across the state

to comply with the ban.

“All registered medical practitioners involved in veterinary medicine are advised to ensure that no prescriptions for Nimesulide or its formulations are issued. Retailers and wholesalers must exercise extreme caution to avoid dispensing or distributing this banned drug for animal use,” the Directorate stated.

Additionally, drug retailers, wholesalers, veterinary hospitals, dispensaries, and clinics have been instructed to identify any stock of these drug formulations in their premises. They are to promptly remove the banned drugs from their shelves and return them to their respective suppliers, ensuring to notify the Directorate about the same.

Col Apurva Bhatnagar awarded VSM for exceptional service in Ladakh

Team Herald

PONDA: Colonel Apurva Bhatnagar, currently serving as the Training Regiment Commander of the Military Training Regiment at Margao, has been awarded the prestigious Vishisht Seva Medal (VSM) for his exceptional service as the Electronic Warfare Advisor to the Indian Army in Ladakh.

A decorated officer of the Indian Army Corps of Signals, Col Bhatnagar was awarded the medal at the recent Army Day parade in Pune.

Col Bhatnagar initially commanded the Electronic Warfare Battalion at the Pakistan border in Rajasthan, before later assuming re-

sponsibility for operations at the sensitive China-Pakistan border in Ladakh.

His expertise proved invaluable during the Galwan standoff, where Col Bhatnagar's deep experience in Electronic Warfare played a crucial role. Drawing from his knowledge, he skillfully planned and deployed Electronic Warfare detachments that uncovered vital enemy data,

much of which remains classified. This work not only showcased his technical acumen but also underscored his significant contribution to the nation's security during times of heightened tension.

The Vishisht Seva Medal is a fitting recognition of Col Bhatnagar's dedication, hard work, and unwavering commitment to the defence of the nation.
