

2 girls among 5 killed in Delhi building collapse, property owner booked

PTI, NEW DELHI: Five bodies, including of two minor sisters, were pulled out from the debris of a four-storey building that collapsed in north Delhi's Burari area last evening, police said on Tuesday, adding the property owner has been booked. "An FIR has been registered under sections 105 (culpable homicide not amounting to murder), 110 (attempt to commit culpable homicide) and 3(5) (common intention) of the Bharatiya Nyaya Sanhita against building owner Yogendra Bhati and others," Deputy Commissioner of Police (North) Raja Banthia said in a statement.

The newly-constructed building near Oscar Public School collapsed late on Monday. So far, five bodies have been retrieved from the debris and 12 people have been rescued, they said.

The victims have been identified as Saadhna (17) and seven-year-old Radhika. The other three are Anil Gupta (42) and labourers

Md Sarfaraz (22) and Md Qadir (40).

The police said the injured were identified as Lalta Prasad, his wife Savita and their six children -- Ajay, Chhoti, Khushi, Priyanka, Sonia and Simran. Their other two children Saadhna and Radhika died, the police said.

The identities of the other injured are yet to be ascertained.

Banthia said a rescue operation was still underway.

In a statement issued on Monday, the Delhi Police had said it received information about the collapse around 7 pm. The building was a new construction spread over 200 square yards.

Soon after the incident was reported to the Delhi Police and the Delhi Fire Services, a rescue operation was launched.

"The rescue operation is still underway. Personnel from agencies such as police, fire services and the National Disaster Response Force (NDRF) are on the spot. The police have cordoned off the area and are collecting more details from locals to ascertain how many people could still be trapped," Banthia said. "We launched an investigation into the matter and multiple teams have been formed," he added.

The officer further said the police would be able to comment on the situation only after the rescue operation concludes.

"During incidents of this nature, the administration appoints an incident commander who issues directions to officials. The area's subdivisional magistrate is currently acting as incident commander and has ordered the evacuation of nearby buildings for structural safety and fitness checks. The entire area has been cordoned off and no one is allowed to cross the restricted zone," the senior officer said.

SC gives 6-day custody parole to Tahir Hussain to campaign for Delhi polls

PTI, NEW DELHI: The Supreme Court on Tuesday granted six-day custody parole to former AAP councillor and February 2020 riots accused Tahir Hussain, who is contesting on an AIMIM ticket, to campaign for Delhi assembly polls.

Custody parole entails a prisoner being escorted by

armed police personnel to the place of visit.

A full bench comprising Justices Vikram Nath, Sanjay Karol and Sandeep Mehta allowed Hussain's plea to campaign in police custody from January 29 to February 3.

The court said he would only be allowed to leave jail along with security for 12 hours, according to the jail manual.

The top court said the former councillor could walk out of jail at around 6 am and return by 6 pm.

The bench said Hussain's custody parole would be subject to the deposit of Rs 2.47 lakh per day as part of security expenses, including the police escort.

Hussain, said the court, should not visit his Karawal Nagar home, an alleged site of the riots, while restraining him from making any public comments over the case's merits.

It clarified the order will not be treated as a precedent as it was passed in the "peculiar facts and circumstances" of the case.

The court said Hussain's bail application in the Delhi High Court should be decided on its own merits without being influenced by the bench's order.

Senior advocate Sid-dharth Aggarwal, appearing for Hussain, argued only four-five days were left to campaign.
