R G KAR CASE
SC asks hospitals to regularise doctors' absence during protests

PTI, NEW DELHI: The Supreme Court on Wednesday directed hospitals, including AIIMS New Delhi, to regularise the unauthorised absence of doctors who were part of protests against the rape and murder of a doctor at R G Kar Hospital, Kolkata.

The heinous crime triggered nationwide outrage and prolonged protests in West Bengal. The hospital staff and doctors took part in nationwide protests after the body of the post-graduate trainee doctor was found in the R G Kar hospital's seminar room on August 9, last year.

During its probe, Kolkata police arrested civic volunteer Sanjiv Roy the next day in the case.

On Wednesday, a bench comprising Chief Justice Sanjiv Khanna and Justice Sanjay Kumar took note of the submissions of a doctors' body that some hospitals had regularised the absence of the doctors following its August 22, 2024 order whereas a few others, including

AIIMS Delhi, decided to treat the period as leave of absence.

"We deem it appropriate to clarify that if protesting workers had joined work post the Supreme Court order then their absence shall be regularised and not be treated as absence from duty. This is issued in peculiar facts and circumstances of the cases and is not laying down any precedent," the CJ said.

The lawyer appearing for the body said the decision to treat the protest period as leave could create trouble for some of the medical PG students.

Solicitor general Tushar Mehta, representing the Centre, said as the case was non-adversarial, the hospitals would abide by the top court's directions.

DELHI BUILDING COLLAPSE
Four of family rescued after 30 hrs

Rescue work underway at the site where the multi-storey building collapsed on Monday in New Delhi, on Wednesday

PTI, NEW DELHI: More than 30 hours after a multi-storey building collapsed in Burari here, four members of a family were pulled out alive from the debris in a late-night operation, officials said on Wednesday.

They said Rajesh (30), his wife Gangotri (26), and sons Prince (6) and Ritik (3) — who were rescued on Tuesday night — have been hospitalised.

The family was trapped inside a space created after a ceiling slab of the newly constructed building fell on a cooking gas cylinder. It prevented the family members from being crushed under the debris, according to the officials. A video showing the family members sitting inside an ambulance with two children went viral on different social media platforms.

"My elder son is six years old and my younger son is three. We are thankful to God that we are saved," Rajesh can be heard telling reporters.

The four-storey residential building near Oscar Public School collapsed on Monday evening, killing five people, including two minors.

"The rescue operation is still underway and is likely to continue till late Wednesday night. Multiple teams — Delhi Police, NDRF and Delhi Fire Services — are working round-the-clock," Deputy Commissioner of Police (North) Raja Banthia said.

So far, 21 people have been pulled out from the rubble. While 16 of them were alive, five died, he said.

"The rescue operation is still underway. More people could be trapped under the rubble.

"Teams are taking extra precautions while carrying out the rescue operation. The NDRF teams are also using highly advanced gadgets to know about alive people," said the police officer.
