

This govt can't get us Mhadei water: Activists

Over Rs 3 cr down the drain in legal fees, but all the water is going to K'taka: MBA

Team Herald

PANJIM: Activists under the umbrella of Mhadei Bachao Abhiyan (MBA) have slammed the Goa government for its indifferent handling of the water dispute with Karnataka, claiming that the triple engine sarkar - a BJP government in Goa, Karnataka and the Centre - has done nothing to save the state's interests and there seems to be a covert plan to let Karnataka divert the Mhadei's waters.

Speaking at a press briefing on Friday, MBA representatives like Nirmala Sawant, Rajendra Kerkar, Adv Bhavanishankar Gadnis, Adv Avinash Bhosale, and Prajal Sakhardande, collectively criticized the government's approach to the ongoing legal battle. Sawant specifically questioned the effectiveness of Goa's representation in the Supreme Court, pointing out that despite the Mhadei case being listed as item number 117 on the court's cause list, the Goa sent a delegation comprising 17 representatives, who returned without the case being heard. "Karnataka representatives never attended the hearing. This suggests that the government is staging a show, misleading the people of Goa with false promises of saving Mhadei,"

“The government has spent Rs 3.2 crore on legal fees for Mhadei in last 5 years. No common man is benefiting from this - Nirmala Sawant

“If the government wanted to save Mhadei they should have notified the tiger reserve. They did not do it despite the High Court ruling - Rajendra Kerkar

“This government is fooling the public. I request people to start an agitation. Please see that this matter is ended this year by asking for an early hearing - Bhavanishankar Gadnis

Sawant alleged.

Sawant further criticized the government's spending on legal fees, revealing that Rs 3.2 crore had been spent over the last five years without benefiting the common people of Goa. She also noted that the Goa team travelled business class and stayed in luxury hotels instead of utilising Goa Bhavan, which raised questions about the administration's priorities.

Eco-warrior Rajendra

Kerkar also voiced concerns over the government's inaction on the tiger reserve issue, stating that if the government genuinely aimed to protect Mhadei, it would have notified the Tiger Reserve as per a High Court ruling. "Their refusal to act and challenge the court's decision demonstrates a lack of intent to save the Mhadei river," Kerkar said.

COUTINHOVADDO, VAGATOR: From turtle nesting site to a nightclub that has been ordered shut for violating decibel norms - the frantic venue hunt for the Karacus Marakus festival has plunged the trance music event into another controversy.

MARGAO: The Additional District and Sessions Court, Margao, on Friday convicted Vikat Bhagat (31), a resident of Bhagatwada, Char Rasta, Canacona, for the rape and murder of 28-year-old Irish-British national Danielle McLaughlin in 2017.

The court found Bhagat guilty of murder, rape and destruction of evidence. The arguments regarding the sentencing were also heard on Friday, and the quantum of the sentence will be pronounced on Monday, February 17. He is currently lodged in Central Jail, Colvale.

Danielle McLaughlin was found raped and murdered in a forested area of Canacona, South Goa, on March 14, 2017.

Hugs aside, Trump calls shots as Modi nods

US Prez open to trade deal but firm on reciprocal tariffs on India

PTI, WASHINGTON: US President Donald Trump announced after talks with Prime Minister Narendra Modi that India will buy more oil, gas and military hardware, including F-35 fighter jets, from America to bring down trade deficit but asserted that Washington will not spare New Delhi from reciprocal tariffs.

At his Oval Office in the White House on Thursday (Friday India time), Trump warmly welcomed Modi with a long handshake and a bear hug while describing the prime minister as a "great

friend" for a long time and a "terrific" man.

The US president, at a joint media briefing with the Indian prime minister following the talks, said both sides are looking at striking a major trade deal soon while calling import duties imposed by India on certain US products as "very unfair" and "strong".

"Whatever India charges, we will charge them," Trump said, adding "We are being reciprocal with India." The Modi-Trump meeting took place hours after the US President announced a new reciprocal tariff policy for all the trading partners

- India to increase purchases of oil, gas
- India to buy significant military hardware sales, including the possibility of F-35 stealth fighters
- Both countries to prepare new defence cooperation

of the US in the latest in a series of such actions initiated by his administration.

In his remarks, Trump said he and PM Modi have reached an agreement that could potentially make the US the "number one sup-

plier" of oil and gas to India, suggesting it to be part of measures to bring down the US trade deficit with India that stands at around \$45 billion.

Pope Francis hospitalised with bronchitis

AP, ROME: Pope Francis was hospitalised Friday to treat a weeklong bout of bronchitis and undergo diagnostic tests, the Vatican said, confirming the latest issues with the 88-year-old's pontiff's health that forced him to cancel his agenda through Monday at least.

Francis was diagnosed with bronchitis on February 6, but had continued to hold daily audiences in his Vatican hotel suite. He attended his general audience Wednesday and presided at an outdoor Mass on Sunday. But he had handed off his speeches for an aide to read aloud, saying he was having trouble breathing.

On Friday, he appeared bloated and pale during the handful of audiences he held before going to the hospital. The bloating appeared to indicate that the medication he was taking to treat the lung infection was making him retain water.

Francis, who had part of one lung removed as a young man, has long battled health problems, especially bouts of acute bronchitis in winter. He uses a wheelchair, walker or cane when moving around his apartment and recently fell twice, hurting his arm and chin.

Francis was hospitalised at Rome's Gemelli hospital, where he was last admitted in June 2023 to have surgery to remove intestinal scar tissue and repair

PALESTINIANS MUST 'STAY ON THEIR LAND': VATICAN

AFP, VATICAN CITY: A top Vatican official on Thursday rejected US President Donald Trump's proposal to move Palestinians from Gaza, saying "the Palestinian population must remain on its land".

"This is one of the fundamental points of the Holy See: no deportations," Secretary of State Pietro Parolin said on the sidelines of an Italy-Vatican meeting, according to the ANSA news agency.

Moving Palestinians out would cause regional tensions and 'makes no sense' as neighbouring countries such as Jordan are opposed, he continued.

The Vatican said Francis was admitted after his Friday audiences. In addition to regular Vatican officials, the pope met Friday morning with the Slovak Prime Minister, Robert Fico, and CNN head Mark Thompson.

Two from Goa in 2nd batch of US deportees

Plane carrying 119 illegal immigrants likely to land in Amritsar today

PTI, CHANDIGARH: A US plane carrying 119 illegal immigrants, including two from Goa, is likely to land at Amritsar airport on February 15, the second such batch of Indians deported by the Trump administration.

According to official sources, the plane is expected to land at the airport around 10 pm on Saturday.

Among the 119 illegal Indian immigrants, 67 hail from Punjab, 33 from Haryana, eight from Gujarat, three from Uttar Pradesh, two each from Goa, Maharashtra and Rajasthan and one each from Himachal Pradesh and Jammu and Kashmir, they said.

Another US plane carrying deportees is also expected to

PUNJAB CM SLAMS CENTRE OVER AMRITSAR AS LANDING DESTINATION

PTI, CHANDIGARH: Punjab Chief Minister Bhagwant Mann on Friday questioned the likely landing of another plane carrying illegal Indian immigrants at the Amritsar airport as he hit out at the Centre, accusing it of trying to defame Punjab. "The BJP-led Centre always discriminates against Punjab. It does not let go of any chance of defaming Punjab," alleged Mann. "Under a conspiracy, they are

land on February 16.

The development came days after a US military air-

craft carrying 104 illegal Indian immigrants landed at the Amritsar airport last week. Of

them, 33 each were from Haryana and Gujarat and 30 from Punjab. Most of the deportees hailing from Punjab had said they wanted to migrate to the US for a better life for their families. After Donald Trump assumed office as the US President, the country's law enforcement agencies have launched a crackdown against illegal immigrants. Many people from Punjab and some other States, who entered the US through 'donkey routes' - an illegal and risky pathway used by migrants to enter America or other illegal means by spending lakhs of rupees - are now facing deportation.
