

J&K Cong chief bats for resumption of cross-LoC trade

PTI, JAMMU: Jammu and Kashmir Congress president Tariq Hameed Karra on Saturday pitched for the resumption of the cross-LoC trade, which was suspended by the BJP-led Centre in 2019.

Karra said this while addressing a district convention in Poonch as part of the Congress's 15-day campaign, "Hamari Riyasat Hamara Haq" (our state our right), to press for an early restoration of statehood in Jammu and Kashmir.

"The closure of the cross-LoC trade due to Pakistan's non-cooperation and other objectionable activities is regrettable as it was a vital source of economic sustenance for the region," the Congress leader said.

He requested the government to explore all possibilities for the resumption of the cross-border trade to boost the region's economy. The Centre suspended the cross-LoC (Line of Control) trade and travel in April 2019 from the two designated

points at Salamabad-Uri in north Kashmir and Chakan-Da-Bagh in Poonch, citing concerns about "illegal weapons, narcotics and fake currency" being transported into India.

Criticising the Bharatiya Janata Party (BJP) for "betraying and disempowering" the residents of Jammu and Kashmir by bifurcating the erstwhile state, Karra said the Centre has indulged in "deceitful tactics to befool the people".
