Hamas frees all 6 hostages in exchange for Palestinian detainees

AP, TEL AVIV: Hamas freed all six hostages in the latest exchange Saturday, even as heightened tension between the adversaries clouded the future of the fragile ceasefire deal.

Israelis react as the first two of six hostages to be released in Gaza by Palestinian militants are handed over to the Red Cross as they watch a live broadcast in 'Hostages Square' in Tel Aviv, Israel

The six included three Israeli men seized from the Nova music festival and another abducted while visiting his family in southern Israel when militants stormed across the border in the October 7, 2023, attacks that triggered Israel's nearly 16-month campaign in the Gaza Strip.

Two of the hostages had been held by Hamas for around a decade since they each entered Gaza on their own.

Five of the captives were handed over in staged ceremonies that the Red Cross and Israel have condemned in the past - brought out by masked, armed Hamas fighters in front of hundreds of Palestinians before being transferred to Red Cross vehicles.

In the central town of Nuseirat, Omer Wenkert, Omer Shem Tov, and Eliya Cohen were posed alongside Hamas fighters on the stage. A beaming Shem Tov

even kissed two militants next to him on the head and blew kisses to the crowd. Hamas has come under heavy criticism for such public displays, with Israel, the UN and the Red Cross saying they are cruel and do not respect the dignity of the hostages.

Watching the release, Cohen's family and friends in Israel chanted "Eliya! Eliya! Eliya!" and cheered when they saw him for the first time. Shem Tov's grandmother ululated in joy, shrieking, "Omer, my joy! My life!" as she saw him.

The Israeli military said the final hostage, Hisham

Al-Sayed, 36, was released later Saturday. The Bedouin Israeli crossed on his own into Gaza in 2015 and had been held since. His family has told Israeli media Al-Sayed was previously diagnosed with schizophrenia.

The latest releases, to be followed by the freeing of hundreds of Palestinians imprisoned by Israel, went ahead after tensions mounted over a grisly and heart-wrenching dispute triggered this week when Hamas initially handed over the wrong body for Shiri Bibas, an Israeli mother of two young boys abducted by the militants.

Pak security forces kill 6 terrorists in Khyber Pakhtunkhwa

PTI, PESHAWAR: Pakistan security forces on Friday killed at least six terrorists during an intelligence-based operation in the country's northwestern Khyber Pakhtunkhwa province, the military's media wing said.

According to a statement issued by In-ter-Services Public Relations (ISPR), the operation was conducted on the reported presence of terrorists.

The statement said that troops effectively engaged the militants and six of them were killed in the operation.

The ISPR said that a sanitisation operation was conducted to eliminate any other militant found in the area as the security forces are determined to wipe out the menace of terrorism from the country.

The country witnessed a sharp increase in terror attacks in January 2025, surging by 42 per cent compared to the previous month, according to data released by the Pakistan Institute for Conflict and Security Studies, a think-tank.

The data revealed that at least 74 militant attacks were recorded nationwide, resulting in 91 fatalities, including 35 security personnel, 20 civilians and 36 militants.

New FBI director Kash Patel plans to relocate 1,500 employees

PTI, WASHINGTON: New FBI Director Kash Patel has told senior officials that he plans to relocate 1,000 employees at FBI headquarters to field offices around the country and move an additional 500 to a bureau facility in Huntsville, Alabama, according to a person with knowledge of the discussions.

The plans were communicated Friday, the same day Patel was sworn in at the White House. They reflect his long-stated determination to reduce the FBI's footprint in Washington and have more of a presence in the offices in other cities.

The person who discussed Patel's vision did so on condition of anonymity to describe plans that have not been made public.

At his swearing-in ceremony, Patel called the opportunity to lead the nation's premier federal law enforcement agency the "greatest honour" of his life.

Patel was confirmed by

the Senate on Thursday by a 51-49 margin, with two Republican lawmakers, Susan Collins of Maine and Lisa Murkowski of Alaska, breaking party ranks and voting against him.

"I think he'll go down as the best ever at that position," President Donald Trump told reporters Friday ahead of the White House swearing-in, which was conducted by Attorney General Pam Bondi and attended by Republican supporters in Congress, including Sen. Ted Cruz of Texas and Rep. Jim Jordan of Ohio.

"Trump added that the 'agents love this guy.' Patel will inherit an FBI gripped by turmoil as the Justice Department over the past month has forced out a group of senior bureau officials and made a highly unusual demand for the names of thousands of agents who participated in investigations related to the Jan. 6, 2021, riot at the US Capitol.

Pak authorities confirm third poliovirus case of 2025

PTI, ISLAMABAD: Pakistan health authorities on Saturday confirmed the third poliovirus case of the year in the country as the crippling virus continues to play havoc despite efforts to eradicate it.

The Regional Reference Laboratory for Polio Eradication at the National Institute of Health here in a statement said the new case detected in

the Larkana district of Sindh province was "the third wild poliovirus type 1 case of 2025".

Polio is a paralysing disease that has no cure and only multiple doses of the oral polio vaccine and completion of the routine vaccination schedule for all children under the age of five can provide children with high immunity against this terrible disease.
