

Vijay Mallya pursues annulment of UK bankruptcy over 'unreal quality'

PTI, LONDON: Embattled businessman Vijay Mallya has instructed his lawyers in the UK to pursue an annulment application against his bankruptcy order, with his legal team set to argue that Union Finance Minister Nirmala Sitharaman's statement in Parliament in December last year gives the order an "unreal quality".

It comes after Justice Anthony Mann reserved judg-

ment, to be handed down at a later date, after hearings of three interlinked appeals related to Mallya's bankruptcy order concluded at the High Court in London this week.

The judge heard a set of complicated arguments involving a consortium of banks led by the State Bank of India (SBI) seeking repayment of an estimated judgment debt of around GBP 1.05 billion over by

the 69-year-old businessman's now-defunct Kingfisher Airlines.

Mallya is wanted in India on fraud and money laundering charges.

"From Mallya's perspective, these English bankruptcy proceedings have an unreal quality," Leigh Crestohl, Managing Partner of Zaiwalla and Co-Mallya's new lawyers, told PTI.

"Evidence has now come to light that shows that the banks' debt has not only been paid but, moreover, the banks have recovered in ex-

cess of what was due from Dr Mallya," Crestohl said, citing Sitharaman's statement in the Parliament on December 17 last year.

Sitharaman in her statement to the Parliament "confirmed that a sum of INR 14,131.6 crore has been collected and restored to the banks," he said.

Crestohl said that "it must be presumed" that the public sector banks will accept the accuracy of the minister's statement made in Parliament.
