Illegal US immigration: ED raids visa firms in Punjab, Chandigarh

PTI, NEW DELHI: The Enforcement Directorate on Wednesday said it raided three visa consultant firms in Ludhiana and Chandigarh as part of a money laundering investigation linked to alleged fraud in providing immigration services to aspirants who wish to go to the US.

DEPORTATION FALLOUT

The cases emerged from FIRs filed by Punjab and Delhi police on the complaint by the office of the Overseas Criminal Investigations, US Embassy in Delhi.

This complaint stated that "fraudulent" activities were perpetrated by companies like Red Leaf Immigration Private Limited, Overseas Partner Education Consultants and some others.

In a statement, the federal agency said searches were carried out on Tuesday at five business and residential premises in Ludhiana,

COMPANIES UNDER INVESTIGATION:

- Red Leaf Immigration Private Limited
- Overseas Partner Education Consultants
- Infowiz Software Solution
- Other unnamed firms

ALLEGATIONS AGAINST COMPANIES

- **Forgery of documents** – Fake education certificates and experience letters for ineligible visa applicants
- **Financial manipulation** – Transfer of funds to applicants' accounts to meet visa balance requirements

- **Visa fraud** – Helping ineligible individuals secure US visas through deceptive means
- **Money laundering** – Illegal proceeds used for investments and diverted to multiple accounts

Punjab and Chandigarh of the two companies apart from a third firm – Infowiz Software Solution – and some others.

Incriminating documents, digital devices and Rs 19 lakh in cash were seized during the searches, it said.

The accused entities and people running them had "forged" the education certificates/experience letters of "ineligible" visa applicants who were aspiring to study or work in the United States of America. They transferred funds to the

accounts of the visa applicants to show a "minimum" account balance for visa application and they "wrongfully" helped such persons to show their eligibility for obtaining a visa for the United States of America by "manipulating" their facts and circumstances, the ED found. The accused charged commission from the aspirants for this job, it said.

The accused entities charged "hefty" amounts from visa applicants and proceeds of crime were generated through such criminal activities. These funds were further invested for the purchase of movable and immovable properties and "diverted" into various bank accounts, according to the agency.

The issue of illegal immigration and human trafficking made headlines again recently after the US deported several Indians on their military planes according to the new policy declared by President Donald Trump.

India successfully test fires naval anti-ship missile

PTI, NEW DELHI: India has successfully test fired a first-of-its-kind naval anti-ship missile from Chandipur off the coast of Odisha.

The trials carried out on Tuesday demonstrated the missile's capability against ship targets, the defence ministry said.

Defence Minister Rajnath Singh congratulated the Defence Research and Development Organisation (DRDO) and the Indian Navy for successfully conducting the flight tests of the missile.

The DRDO and the Navy carried out successful flight-trials of first-of-its-kind Naval Anti-Ship missile (NASM-SR) from Integrated Test

It (Defence Ministry) said the "trials have proven the missile's Man-in-Loop feature and scored a direct hit on a small ship target in sea-skimming mode at its maximum range"

Range, Chandipur, the ministry said. "The trials demonstrated the missile's capability against ship targets while launched from an Indian Naval Sea King helicopter," the ministry said.

It said the "trials have proven the missile's Man-in-Loop feature and scored a direct hit on a small ship target in sea-skimming mode at its maximum range."

The missile uses an indigenous imaging infra-red seeker for terminal guidance.

The mission also has demonstrated the high bandwidth two way datalink system, which is used to transmit the seeker live images back to the pilot for in-flight retargeting, the ministry said in a statement.

The missile has been developed by different labs of DRDO including Research Centre Imarat, Defence Research and Development Laboratory, High Energy Materials Research Laboratory and Terminal Ballistics Research Laboratory.

Govt spent over Rs 400 crore in 10 years to contest court cases

NEW DELHI: The government has spent more than Rs 400 crore to contest court cases during the past 10 years, official data showed. The central government's Rs 66 crore expenditure on litigations in the 2023-24 financial year was over Rs 9 crore higher than the previous fiscal. The amount incurred on litigations has gone up since 2014-15, barring two fiscals when the Covid pandemic was at its peak, according to data shared by the government with the Lok Sabha in response to a question in the ongoing Budget session. In 2014-15, the cost incurred on litigations stood at Rs 26.64 crore while the expenditure for 2015-16 was Rs 37.43 crore. Between the 2014-15 and the 2023-24 financial years, the government spent more than Rs 409 crore on litigations. Separately, the law ministry had earlier this month told the Rajya Sabha that the central government is a party in nearly seven lakh cases pending across courts, with the Finance Ministry alone being one of the litigants in nearly two lakh cases. Citing data available on Legal Information Management & Briefing System (LIMBS), Law Minister Arjun Ram Meghwal said, "There are about seven lakh cases pending where the Government of India is a party. Out of these, in about 1.9 lakh cases the Ministry of Finance is mentioned as a party."

CBSE DRAFT NORMS ROW

Punjab makes Punjabi mandatory in all schools

PTI, CHANDIGARH: The Punjab government on Wednesday said it has made Punjabi a mandatory subject in all schools across the state, regardless of their educational board affiliation, and asserted that education certificates will be considered null and void without Punjabi as a main subject.

The move came after the AAP government accused the BJP-led Centre and the CBSE of dropping Punjabi from the list of subjects for Class 10 in the new draft norms for biannual board exam format and dubbed it as a "well-planned conspiracy" against Punjab and Punjabi.

Punjab Education Minister Harjot Singh Bains said his department has issued a fresh notification stating that Punjabi will be a main subject in Class 10 in the state and if Punjabi is not a main subject in any school, then the certificate will be considered null and void.

This will be applicable to all education boards in the state, he added.

Addressing the media here, Bains slammed the Central Board of Secondary Education (CBSE) for allegedly dropping Punjabi from the list of subjects as he referred to its draft examination policy.

"It is a well-planned conspiracy against Punjab, Punjabi and Punjabiya," he alleged.

The minister said in the CBSE's draft norms, science, maths, social science, Hindi and English are the main subjects of Class 10. The regional and foreign languages are in one group while the rest of the subjects are in the other group, he said.

Bains further claimed that Punjabi was removed from the regional languages.

"It means Punjabi is not the main subject. The main regional language has been finished," he alleged.

They (Centre) kept foreign languages like Thai, German, French, etc., but they forgot to mention Punjabi, he said.

Asserting Punjabi is well-spoken language in many states, including Haryana, Jammu and Kashmir, Delhi, Uttar Pradesh, Himachal Pradesh, Maharashtra and West Bengal, Bains said such an important language has great culture and history.

"Punjabi is not just a language; it is a symbol of our rich cultural heritage, spoken and cherished by millions across the country," he said, adding that the current situation was an attempt to erase Punjabi from the educational landscape.

Bains hit out at the Punjab BJP for terming this issue as a "clerical mistake".

"They played with the emotions of Punjab and rubbed salt into the wounds," he said.

History-sheeter rapes woman inside parked state transport bus in Pune

PTI, PUNE: A history-sheeter out on bail since 2019 allegedly raped a 26-year-old woman inside a stationary state transport bus at the busy Swargate bus station in Pune city, police said on Wednesday.

As the shocking incident in the heart of the city caused an uproar and triggered a protest by the opposition Shiv Sena (UBT), police formed multiple teams to track down the accused, Dattatraya Ramdas Gade (36).

While the opposition targeted the Home Department held by Maharashtra Chief Minister Devendra Fadnis over the crime which took place on early Tuesday morning, the government ordered that all private security guards at the bus station be replaced.

A separate departmental inquiry has also been ordered by the transport ministry.

Gade has half a dozen cases of theft, robbery and chain-snatching reg-

istered against him in Pune and adjoining Ahilyanagar district, said a Swargate police station official, adding he was out on bail since 2019 in one of the offences.
