KTC workers threaten to go on strike over unpaid arrears

Team Herald

PANJIM: The KTC Drivers and Allied Employees Association affiliated to the All India Trade Union Congress (AITUC) on Thursday have threatened to go on a strike and issued a 21-day notice to the Kadamba Transport Corporation (KTCL) management, effective from March 19, if the government fails to pay their Seventh Pay Commission dues.

The protesters took out a morcha in the city demanding the full implementa-

tion of the recommendations of the Seventh Pay Commission.

AITUC general secretary Christopher Fonseca said "The KTC management was yet to its workers give 34 months arrears including over 600 retired workers, for the period from January 1, 2016 to October 31, 2018 arising out of implementation of the Seventh Pay Commission and signing of wage settlement dated March 11, 2024 before the office of the Labour Commissioner."

He also demanded to re-

store Employees' Provident Fund (EPF) contribution to 12 per cent for KTCL workers as provident fund contribution was cut by the government to 10 per cent in 2009. He said that during the meeting, the Chief Minister had assured them to restore the provident fund contribution to 12 per cent but till date it was not restored.

Among other demands, the Association has demanded an increase in the monthly wages of Kadamba bus drivers and conductors with over two years of ser-

vice, from Rs 18,000 to Rs 30,000.

The Association demanded immediate procurement of 300 new diesel buses to replace 200 scrapped or condemned vehicles over the past two years.

It demanded regularisation of temporary drivers and conductors, who have completed over three years of service and to grant temporary status with similar pay scales to drivers and conductors serving for over five years in the absence of permanent vacancies.

Parents oppose reopening of schools in April this year

Submit letter to DoE, protest against flawed implementation of NEP 2020

Delegation of parents led by Cecile Rodrigues speaking to the media after submitting a memorandum to Director of Education

PANJIM: Parents and guardians of school-going children across Goa have raised serious concerns over the alleged flawed implementation of the National Education Policy (NEP) 2020 and the decision to commence the new academic year in April. A formal representation opposing these changes was submitted to the Director of Education (DoE), Shailesh Zingde, demanding the revocation of plans to begin the school year in April.

While parents acknowledge the NEP's intent to improve the education system, they argue that its implementation in Goa is poorly planned, lacks transparency and fails to address the specific needs of students. Parent-Teacher Association (PTA) members have also decided to submit petitions outlining their objections to the DoE.

Cecile Rodrigues, a concerned parent, stated, "The recent changes to the academic calendar, requiring students to start school

in April, have raised several concerns among parents and students. These changes appear to contradict the principles outlined in NEP 2020 and the National Curriculum Framework for School Education (NCFSE) 2023."

She further pointed out, "Starting the academic year on April 1, just two days after the final exams conclude on March 28, without allowing students a break to refresh their minds, is going to be disastrous."

Mhadei Water Disputes Tribunal gets six months extension

Team Herald

PANJIM: The Mhadei Water Disputes Tribunal, constituted in November 2010 for adjudicating dispute over river water sharing between Goa, Karnataka and Maharashtra, was granted another six-month extension as it failed to resolve the issue despite being in operation for more than 14 years.

"Central government hereby extends the period of submission of further report by the said Tribunal for a further period of six months with effect from 16th February 2025," states a notification issued by the Ministry of Jal Shakti, New Delhi.

This is the seventh time, the Ministry of Jal Shakti has extended the tenure of the Tribunal after it had ended in August 2018. In-

itially the extension was granted for one-year except in August last year when the government extended its term for six months.

The Mhadei Water Disputes Tribunal was established in November 2010 under section 4 of the Inter-State River Water Disputes Act, 1956, for the adjudication of the water disputes relating to the inter-State river Mhadei, and river valley thereof. The Tribunal was supposed to submit its verdict within a period of three years, from the date of its constitution, i.e. by November 15, 2013.

But the Tribunal requested the Union govt to reckon as August 21, 2013 the effective date of its functioning, to be the date of its constitution and the govt, vide notification dated November

13, 2014, notified that the effective date of constitution of the Tribunal be August 21, 2013, and the period of 3 yrs for submission of the report.
