Cong slams govt over rising household debt, calls it a crisis

PTI, NEW DELHI: Flagging the issue of household indebtedness, the Congress on Thursday said the root cause of such a "deep-seated" malaise was the stagnation in real wages and claimed the government had failed to acknowledge the "crisis".

Congress president Mallikarjun Kharge claimed a hundred crore Indians did not have any extra income to spend and alleged that Prime Minister Narendra Modi's version of Viksit Bharat emptied ordinary Indians' pockets and filled the coffers of select billionaires. India is staring at a global tariff war and trade barriers and the Union budget announcements have turned out to be a "damp squib", he further said. Congress general secretary in-charge communications Jairam Ramesh cited the recently-released Indus

Valley Annual Report 2025, an examination of India's economic landscape and start-up ecosystem by VC firm Blume Ventures, to attack the government. The report offers a granular look into the Indian economy, he said and asserted that its most worrying implications were for India's household finances. Ramesh said India's recov-

ery from COVID-19 was based on consumption growth that was driven by loans. Consumer loans in the post-Covid years were about 18 per cent of the Private Final Consumption Expenditure, he said. In this time, personal loans replaced industry loans as the biggest segment of non-food borrowing, Ramesh said.

"This was a reflection of the slowing private investment levels. Much of this indebtedness was due to the rise in small ticket personal loans from non-banking financial companies -- they comprise 82 per cent of the new personal loans originated in 2024," he said citing the report. Credit growth has now created a household indebtedness crisis instead of continuing to fuel consumption, Ramesh said.

Household debt to GDP has hit an all-time high of nearly 43 per cent, he claimed. "As a flipside to the household indebtedness, households are saving less - especially financially. Household share of savings dropped from 84 per cent in FY 2000 to 61 per cent in FY 2023, reflecting an increase in uninvested corporate profits," he said.

Member of outlawed Maoist outfit arrested in Jharkhand's Palamu

PTI, MEDININAGAR: A member of a banned Maoist outfit, who was involved in an encounter in which two policemen were killed last year, was arrested in Jharkhand's Palamu district, an officer said on Thursday.

A special police team picked up Upendra Bhuiyan when he was going to Nagad village to meet his family on Wednesday, Superintendent of Police Reeshma Ramesan said in a press conference here.

The 26-year-old Tritiya Sammelan Prastuti Committee (TSPC) member was allegedly involved in an encounter on May 26 last year, that left two policemen dead, Ramesan said.

She said the police were searching for the Maoist activist for the last five years.

About a dozen cases were registered under various police stations

in Chatra, Latehar and Palamu districts, the SP said.

After firing on Army vehicle, anti-terrorist operation continues near LoC in J&K

PTI, JAMMU: Security forces on Thursday extended the cordon and search operation to new areas near the Line of Control (LoC) in the Sunderbani sector of Jammu and Kashmir's Rajouri district to flush out terrorists who opened fire on an Army vehicle the previous day, officials said.

A fresh operation was also launched in Dayalchak near the International Border in the Hiranagar sector of Kathua district after security forces intercepted a suspicious frequency wireless set, the officials said.

An Army vehicle came under fire from suspected terrorists hiding in a forest area near Phal village in the Sunderbani sector on

Wednesday, prompting a massive search operation by the Army and police.

The search operation continues in Phal and was extended to new areas this morning to flush out the hiding terrorists, the officials said, adding there was no contact with the terrorists so far.

They said the security forces are using latest technology, drones and sniffer dogs to hunt down the terrorists in the dense forests.

In a post on X on Thursday, the Army's Jammu-based White Knight Corps said, "Terrorists opened fire at an Indian Army convoy in Sunderbani, Akhnoor, yesterday (Wednesday). The firing was ineffective and our own troops responded swiftly.

Hindi is mask, Sanskrit the face, says TN chief minister M K Stalin

PTI, CHENNAI: Upping the ante against alleged Hindi imposition by the Centre, Tamil Nadu Chief Minister M K Stalin on Thursday said the state will not allow the forcing of the language on it and vowed to protect Tamil and its culture.

"Will oppose Hindi imposition. Hindi is the mask, Sanskrit is the hidden face," he said in a letter to party workers.

The ruling DMK has been alleging Hindi imposition by the Centre through the 3-language formula as part of the National Education Policy (NEP), a charge denied by the union government. The issue has since become a bone of contention between the two, prompting Stalin to declare the state was even ready for "another language war," like the anti-Hindi agitation the

STALIN'S REMARKS ON HINDI IMPOSITION SHALLOW ATTEMPT TO DIVIDE SOCIETY: ASHWINI

PTI, NEW DELHI: I&B Minister Ashwini Vaishnaw on Thursday described Tamil Nadu Chief Minister M K Stalin's remarks on "Hindi imposition" as a "shallow attempt" to divide society to hide his government's poor governance and wondered whether Congress leader Rahul Gandhi shared the DMK leader's views. "Poor governance will never be hidden by such shallow attempts to divide society," Vaishnaw said in a post on X, responding to Stalin's letter to DMK cadre. In the letter, Stalin claimed many north Indian languages spoken in Bihar, Uttar Pradesh and Madhya Pradesh such as Maithili, Brajbhasha, Bundeli and Awadhi "have been destroyed by the hegemonic Hindi". Vaishnaw wondered whether Gandhi, the Leader of the Opposition in the Lok Sabha agreed with Stalin.

DMK spearheaded in 1965.

Tamil Nadu is opposing NEP because the Centre is trying to impose Hindi and Sanskrit through the education policy, he added.

Countering BJP's contention that the third language according to the NEP could

be even a foreign one, Stalin claimed that according to the 3-language policy schedule, "only Sanskrit is being promoted in many states." BJP-ruled Rajasthan was appointing Sanskrit teachers instead of Urdu instructors, he claimed.

Class 3 student allegedly loses vision after principal's thrashing

PTI, MORADABAD: A Class 3 student at a primary school here allegedly suffered a severe eye injury, leading to a loss of vision in one eye, with accusations directed towards the school principal, an education department official said on Thursday.

Authorities have initiated an inquiry into the incident that happened on Tuesday at Bhogpur Mitthoni Primary School after the victim's mother, Jyoti Kashyap, lodged a complaint against the principal, Geeta Karal, to the District Magistrate.

In her complaint, she claimed that her daughter, Himanshi, was blinded due to the severe injuries inflicted by the principal.

However, Principal Geeta Karal denied the allega-

tions, saying Himanshi already had a weak eyesight.

She said, "The injury occurred when a classmate, Benazeer, was completing her work and accidentally struck Himanshi's face with her elbow, causing swelling in her eye." The situation escalated when Himanshi's mother visited the school the same day, requesting a medical certificate from the principal.

When her request was denied, Jyoti allegedly threatened the principal. The principal clarified that she was not authorised to issue any medical reports.

In response to the incident, Moradabad Basic Siksha Adhikari (BSA) Ajit Kumar said on Thursday that an inquiry had been initiated under the supervision of Additional BSA Shivam Gupta.
