

LS delimitation: Stalin moots Joint Action Committee of MPs

PTI, CHENNAI: Stepping up the pressure on Centre, Tamil Nadu Chief Minister M K Stalin on Wednesday proposed that the 1971 Census be the basis for delimitation of Parliamentary constituencies for 30 years starting 2026 and favoured a Joint Action Committee (JAC) involving all southern states to press for related demands.

At an all-party meeting on delimitation here that was attended by main opposition AIADMK among others, Stalin, moving a resolution, said that in the event of increase in the number of seats in Parliament, the 1971 Census should be the basis for it and that appropriate Constitutional amendment should be done.

BJP state unit chief K Annamalai wondered what was the ruling DMK's compulsion to hold the all-party meeting, boycotted by the saffron organisation, saying the Centre has clarified no state would be affected due to delimitation.

Stalin also asserted that the 1971 population data should be the basis for delimitation of LS seats for 30 years from 2026 and Prime Minister Narendra Modi should make an assurance in the Parliament.

The JAC is to take forward such demands and create awareness among the people and the meet unanimously opposed delimitation exercise based on population, which will be a "threat to federalism and the rights of southern states to political rep-

resentation." Tamil Nadu's present representational percentage in Parliament, which is 7.18, should not be changed under any circumstances.

Resolutions, supported by parties including the Edappadi K Palaniswami-led AIADMK, were passed in the meeting to urge the Centre to accept the demands of Tamil Nadu on the issue. One of the key points underscored in the meeting was that there shall not be any reduction in the number of LS seats.

The meet underscored that Tamil Nadu is not against delimitation of Parliamentary constituencies. However, the proposed exercise must not become a punishment for implementing well the socio-economic welfare measures during the past 50 years.

The Centre declined to heed

Maanila Congress (Mooppanar).

The ruling DMK has been staunchly opposing the delimitation exercise, with party president and chief minister Stalin claiming it

will lead to reduced LS seats in TN. He has wondered whether the state was being punished for effective implementation of population control measures over the years.

263 illegal rat-hole coal mines detected in Assam: Minister

PTI, GUWAHATI: The Assam government on Wednesday said that at least 263 illegal rat-hole coal mines have been detected in the central part of the state under the jurisdiction of two autonomous councils.

The government also informed the assembly that it has seized over 25,630 tonnes of illegal coal in the last three years.

In a written reply to a query from Independent MLA Akhil Gogoi, Mines and Minerals Minister Kaushik Rai said that 248 rat-hole mines have been found in North Cachar Hills Autonomous Council (NCHAC), comprising Dima Hasao district.

In Karbi Anglong Autonomous Council, comprising East Karbi Anglong and West Karbi Anglong districts, 15 such rat-hole mines have been found, he added.

The National Green Tribunal (NGT) had banned rat-hole mining in 2014. However, coal is still extracted through this dangerous method in the Northeast.

Rai further said that coal is extracted in Di-

brugarh, Tinsukia and Charaideo districts as well, but did not share details of rat-hole mining in those areas.

Responding to another question from Congress MLA Jakir Hussain Sikdar, Rai said there are seven coal fields in Assam across Tinsukia, Dima Hasao and Karbi Anglong districts.

Tirap Coal Grant, Lekhapani-Tipongpani, Ledo-Borgalo, Ledo OCP and Namdang Coal Grant are in Tinsukia, while AMDC (Garampani Coal Extraction Project) and Koilajan are located in Dima Hasao and Karbi Anglong respectively, he added.

"Out of these, permission is there for only Ledo-Borgalo at present," the minister said without elaborating.

At least nine labourers were trapped inside the illegal 3-Kilo Coal Quarry in Umrangso area on January 6 after a sudden gush of water flooded the site. Partially decomposed bodies of all miners were retrieved after several days from the rat-hole mine.

Maha: Oppn seeks Gore's resignation

PTI, MUMBAI: Opposition parties in Maharashtra on Wednesday demanded the resignation of BJP minister Jaykumar Gore over allegations of harassing a woman and sending objectionable photos to her, while he dismissed the charges and asserted that he was already acquitted by the court.

SEXUAL HARASSMENT

Gore, who represents the Man assembly constituency in western Maharashtra's Satara district, is Minister of Rural Development and Panchayati Raj. Gore was earlier with the Congress and joined the BJP in 2019.

In January 2017, he had

been arrested for sending lewd messages and his own objectionable photos to a woman in Satara.

Amid the allegations against him, Gore warned of moving a notice of breach of privilege against those who raised the issue again, and said he would also file a defamation complaint against them.

The demand for his resignation came a day after NCP leader Dhananjay Munde stepped down as a minister in the wake of the arrest of his close aide Walmik Karad in an extortion case linked to the murder of sarpanch Santosh Deshmukh in Beed in December last year.

Opposition parties targeted Gore over the allegations and sought his resignation.
