RAIA: Colombia's Sebastian Gutiérrez emerged as the hero as he netted a hat-trick to propel Churchill Brothers to a dramatic 6-1 victory over an 8-man Shillong Lajong FC in the I-League match played at the Raia ground on Friday.

This encounter was a spectacle filled with drama, including two sensational goals, three penalties, an own goal, and three red cards, all unfolding in a chaotic second half.

Churchill Brothers' triumph not only featured Gutiérrez's remarkable performance but also saw Pape Gassama and Wayde Lekay converting penalties. Marcos Rudwere of Shillong Lajong, who himself scored from the spot and was later sent off, contributed to a match that shifted dramatically after Shillong Lajong took an early lead.

at half-time thanks to Rudwere's penalty but collapsed under the relentless pressure from Churchill Brothers. Though Shillong Lajong remain in fifth spot with 26 points, they can drop to seventh in a couple of days if Gokulam Kerala and Rajasthan United win their games.

Even though Shillong Lajong took the lead, Churchill Brothers dominated possession and created numerous opportunities, setting the stage for a second-half onslaught.

The turning point came in the 50th minute when Kharshong was red-carded

for blocking a goal-bound shot with his hand inside the penalty area. Gassama stepped up to the spot and levelled the score, despite Shillong Lajong goalkeeper Ranit Sarkar guessing the direction correctly.

Momentum firmly with Churchill Brothers, Gutiérrez broke through just two minutes later, skillfully navigating past two defenders to put his side ahead. The

situation worsened for Shillong Lajong when Renan Paulino received his marching orders for a second yellow card after a foul on Gassama, reducing the visitors to nine men. Gutiérrez continued his impressive display, adding his second in the 66th minute after latching onto a precise cross from Maibam Deny Singh with a skillful first touch and finishing coolly past the beleaguered Sarkar.

The hosts then extended their lead when Rafiq Aminu's strike hit the woodwork and rebounded off Sarkar, crossing the line for an own goal.

In the 78th minute, the Colombian completed his hat-trick with a long-range effort that flew past Sarkar, cementing his player-of-the-match performance.

The rout was completed in added time after Lekay was fouled in the box, leading to Rudwere's dismissal and the South African converting the resulting penalty to score his tenth goal of the campaign.

Chhetri's surprise comeback raises questions on 'sleeping giant'

Blue Tigers will play a friendly match against Maldives on March 19 in preparation for the opening match of AFC Asian Cup Saudi Arabia 2027 Qualifiers Final Round against Bangladesh on March 25

PTI, NEW DELHI: Described as "a wise decision" by the sport's national federation, Sunil Chhetri's return from international retirement at 40 is certainly an acknowledgement of his greatness in Indian football but more strikingly, it lays bare the paucity of quality strikers in a country of over 1.4 billion.

No amount of praise is too high for the man who has served the national team with distinction for nearly two decades, eventually ending his glorious career as India's highest-ever goal scorer with 94 strikes to his name.

But his long list of achievements in the sport is one thing, and his coming out of retirement within a year is another. The surprise comeback raises a fair number of questions on whether Indian football can ever graduate from being a "sleeping giant", as once described by FIFA.

"It's a good decision from the team's point of view. You

are asking me that you are calling back a 40-year-old to play for national team, but there have been similar instances in the past."

"We have been trying so hard to find good strikers, but unfortunately, we have not succeeded so far. Most of the top strikers in the Indian Super League are foreigners, so that is how it is," conceded the legendary I M Vijayan in a conversation with PTI, trying to strike a balance between finding the positives and being mindful of reality.

According to the All India Football Federation (AIFF), Chhetri was coaxed out of retirement by national team head coach Manolo Marquez, who urged him to join his old teammates for the crucial final round of the AFC Asian Cup 2027

qualifiers. People in the top rung of the AIFF are convinced that the right move has been made by head coach, who is also doing duty as FC Goa's gaffer in the ongoing Indian Super League.

His form in the ISL, in which he has also made two assists besides finding the back of the net a dozen times, has also impressed All India Football Federation President Kalyan Chaubey.

"Sunil's leadership qualities are unmatched. A player of his stature can motivate the entire team. His form too has been impeccable in the ISL, scoring 12 goals, and India can greatly benefit with a striker like him," Chaubey said.

Like Chaubey, AIFF Secretary General Anilkumar P too preferred to look at the positive side of the move, and so did the legendary Vijayan.

"It's a wise decision on part of the head coach to include Sunil Chhetri based on the technical data we received from our experts," Anilkumar told PTI.

"In the ongoing Indian Super League, Chhetri is performing consistently.

His inclusion will definitely strengthen the Indian national team."

"We have some important matches coming up soon. We are fully aligned with the coach's decision and hopefully Chhetri can contribute much more to the national team so that we can move to the next level of the Asian Cup 2027," Anilkumar added.

Vijayan, currently the head of the AIFF's Technical Committee, sounded excited when asked to share his views on Chhetri's return.

"You look at Roger Milla, who came out of retirement (at 38) to help Cameroon qualify for the quarter-finals of 1990 World Cup. Age is not a factor, what matters is fitness, and Sunil remains extremely fit and he is also playing very well," he said.

Marquez, who took over the reins after Chhetri's retirement, has not any luck with his strikers as they have not really delivered.

Going ahead, the Blue Tigers will play a friendly match against Maldives on March 19 in preparation for the opening match of the AFC Asian Cup Saudi Arabia 2027 Qualifiers Final Round against Bangladesh on March 25.

India have been placed in a qualifying group alongside Bangladesh, Hong Kong, and Singapore for the Asian Cup.

“We have been trying so hard to find good strikers, but unfortunately, we have not succeeded so far. Most of the top strikers in the Indian Super League are foreigners, so that is how it is. On Chhetri's return, you look at Roger Milla, who came out of retirement (at 38) to help Cameroon qualify for the quarter-finals of 1990 World Cup. Age is not a factor, what matters is fitness, and Sunil remains extremely fit and he is also playing very well
