114 WEAPONS RECOVERED BY SECURITY FORCES ACROSS MANIPUR

PTI, IMPHAL: In a series of operations, security forces have recovered 114 weapons, improvised explosive devices (IEDs), grenades and ammunition across Manipur after the expiry of a two-week period for voluntarily surrendering looted and illegally held arms in the ethnic strife-torn state, an official statement said on Saturday. Intelligence-based operations were launched in the hill and valley districts of Bishnupur, Senapati, Thoubal, Jiribam, Chandel, Churachandpur, Kangpokpi, Imphal East and Imphal West. Altogether 114 weapons, IEDs, grenades, ammunition and war-like stores were recovered during these operations, an army statement said.

across the state.

The situation worsened when protesters set fire to private vehicles and attempted to stop a state transport bus traveling from Imphal to Senapati district.

Protesters also blocked NH-2 (Imphal-Dimapur highway) and burned tyres

to obstruct movement of government vehicles.

The protest was also directed against a peace march by the Federation of Civil Society (FOCS), a Meitei organisation.

The march, involving over 10 vehicles, was halted by security forces at Sekmai before it could reach

SEVEN MEMBERS OF BANNED OUTFITS IN MANIPUR HELD

PTI, IMPHAL: Seven members of four proscribed outfits were arrested in separate operations in strife-torn Manipur, police said on Saturday. Two cadres of the banned Kangleipak Communist Party (PWG) were apprehended from Lamphel in Imphal West district on Friday, while another member of the same outfit was held near the gate of Bir Tikendrajit International Airport, a senior officer said. They have been identified as Moirangthem Jiban Singh (27), Laishram Tiken Singh (40) and Thoudam Premkumar Singh (38), he said. An amount of Rs 50,000 was also recovered from those who were arrested in Lamphel. Two members of the proscribed Kanglei Yawl Kanna Lup (KYKL) were arrested on Thursday near the Lokchao river along the India-Myanmar border in the Tengnoupal district. "These members of the militant group have been identified as Keisham Naocha alias Ningsingba (38) and Ningthoujam Sanjoy (18) and handed over to the local police for necessary legal actions," an officer said. A 24-year-old cadre of the outlawed KCP (Taibanganba), identified as Mayanglambam Borish Singh, was also arrested on Friday, he said. Security forces arrested another member of the banned PREPAK, identified as Ningthoujam Dhananjay.

Kangpokpi district.

Police claimed they had been told to stop the march as they did not have permission.

"We are just following orders. We have been told to stop the march. If they want to go, they can go in the state buses arranged by the government," a po-

liceman said.

However, FOCS members objected saying they were just following what Shah's instruction allowing free movement across the state from Saturday.

A purported video released by Kuki-Zo village volunteers group from an undisclosed location said

it was against the government of India's decision regarding free movement and demanded a separate administration. The authenticity of the video could not be corroborated by PTI.

"Any attempt to enter our areas will be met with strong resistance. No free movement before separate administration" a volunteer was heard saying in the video.

Opposing the free movement initiative, the Kuki Zo Council has imposed an indefinite shutdown in all Kuki-Zo areas from Saturday midnight, a statement said.

"It is crucial for the central government to address the underlying issues to prevent further unrest and protect public safety. The Kuki-Zo Council urges the government to reconsider its stance to avoid further escalation of tension and violent confrontation," it added.

The council also stated, "We cannot guarantee free movement of Meiteis across buffer zones and cannot take responsibility for any untoward incidents."

We are chasing tech, it should come out of India: IAF chief

PTI, NEW DELHI: IAF Chief Air Chief Marshal A P Singh on Saturday said the Indian ecosystem needs to reach a stage where new technology comes out of India and others are chasing it.

At an interactive session at the India Today Conclave here, he also said one of the lessons from the ongoing conflicts is that one needs to be prepared for a protracted, long-drawn war.

"So, along with our

capabilities, we need to build our capacity, a capacity to last a long-drawn war," the IAF chief said, adding the earlier idea that wars are going to be "short and swift" has changed.

"And, we need back up of the industry so that we continue to fill up losses that we have. Second, the primacy of control of air, has come out loud and clear," he added.

And, the role of technology, especially un-

manned vehicles, has come to the fore from the conflict, the air chief marshal said when asked about the lessons from ongoing conflicts in the world.

Air Chief Marshal Singh, however, said with advancement in technology, "we need to catch up."

He was also asked about reports that Pakistan is going to get a fifth generation fighter aircraft from a neighbouring country.

NOBA GSR Operations Manager Mani Raj Singh highlighted the initiative's broader mission.

Saurabh Kumar, NOBA GSR's Begusarai official, shared the local impact.
