Air India denies refusal of wheelchair to elderly passenger

PTI, NEW DELHI: Faced with a complaint that the non-availability of a pre-booked wheelchair resulted in the fall of an elderly woman passenger at the Delhi airport, Air India on Saturday said wheelchair or assistance was not denied to the passenger at any point in time and that first aid was given immediately.

The incident happened on March 4 at the Delhi airport, and the passenger later boarded the flight to Bengaluru.

In a post on X, the granddaughter of the 82-year-old passenger said her grandmother was treated

Issuing a detailed statement after investigating the incident, Air India on Saturday (March 8) said the family members accompanying the passenger had reported at the PRM (Person with Reduced Mobility) desk located near Air India's ticketing office less than 90 minutes before the scheduled time of departure to request for a wheelchair

poorly by the airline and claimed that she was not allocated a wheelchair for almost an hour.

As per the post on March 7, the passenger managed to enter the airport on foot, but still, no wheelchair or assistance was provided, and she suffered a fall.

Issuing a detailed statement after investigating the incident, Air India on

that hour, a wheelchair could not be made available within the 15 minutes that the passenger's relatives spent waiting for it," the airline said, adding that the claims of having waited for an hour for the wheelchair are baseless.

The granddaughter also mentioned in the post that complaints were lodged with the aviation regulator DGCA and Air India and awaiting action.

According to Air India, at no point was the wheelchair or any assistance denied to the passenger and the airline's staff cooperated with the guests throughout their journey.

ED seizes business jet Hyderabad airport in money laundering case

PTI, HYDERABAD: The Enforcement Directorate has seized a business jet parked at the Hyderabad airport as part of a money laundering investigation against a Hyderabad-based company and its promoters who allegedly duped numerous investors in a Rs 850 crore Ponzi "scam", official sources said on Saturday.

The money laundering case stems from a Cyberabad police FIR against Falcon Group (Capital Protection Force Pvt. Ltd.), its CMD Amar Deep Kumar and some others, the sources said.

It is alleged that the Falcon Group "collected" Rs 1,700 crore from investors for high returns through a "fraudulent" invoice discounting investment scheme.

Rs 850 crore, out of the total funds, was re-paid leaving a total of 6,979 investors unpaid, according to the sources.

Kumar, the sources said, fled the country using this jet.

He or his company could not be contacted immediately for a response on the charges.

Officials from the ED's Hyderabad office found that the 8-seater business jet "N935H Hawker 800A" (owned by a company of Kumar) landed at the Rajiv Gandhi International airport located in the Shamshabad area on Friday, the sources told PTI.

A search of the jet, purchased for about USD 1.6 million (about Rs 14 crore) in 2024, was conducted by ED officials on Friday under the Prevention of Money

A business jet, that was parked at the Hyderabad International Airport, seized by the Enforcement Directorate as part of a money laundering probe into financial irregularities linked to Falcon Group

Robos to be deployed from Mar 11, cadaver dogs to go inside again

PTI, NAGARKURNOOL (TELANGANA): The Telangana government on Saturday decided to deploy robots from March 11 for rescue operations inside the partially collapsed SLBC tunnel and also to take the cadaver dogs again to look for presence of humans.

Eight persons remained trapped inside the tunnel since February 22, after a part of it collapsed.

Indian Army's Engineer Task force carries rescue operation at the Srisailem Left Bank Canal (SLBC) project site where a part of the tunnel collapsed

The government has decided to deploy robots to avoid any danger to the rescue personnel as the conditions inside the tunnel, including water and slush, posed a challenge.

"The usage of bots for the last 70 mtrs (at the accident site) was discussed with (concerned) agency and robots will be placed and tried from Tuesday onwards, in addition to all the efforts which are being undertaken now," a senior official told PTI.

The Geological Survey of India (GSI) has submitted

nines joined the rescue operation March 7 when they were taken into the tunnel.

The regular operation of dewatering and desilting by all the agencies would continue, the official added.

State Irrigation Minister N Uttam Kumar Reddy, who visited the tunnel site and reviewed the ongoing rescue operation with officials of different organisations, directed authorities to take immediate steps to deploy robots for rescue work as fragments of the damaged TBM posed a danger to the rescue personnel.
