

Candolim villager demands cancellation of bidding for car parking

Team Herald

CALANGUTE: A Candolim resident has raised objection to the bidding carried out for car parking by the village panchayat and demanded that the bidding process be cancelled and a fresh bidding be

done. Speaking to reporters, Agnelo Sequeira said, "On Tuesday, a bidding was done for car parking. I had applied for the same and was waiting for opening of the box but it was opened without calling anybody. All the other

bidders were not taken into confidence. They remained outside. When enquired as to when the boxes will be opened, I was told that they had already been opened and I will receive notice informing who has been awarded the tender. But I think this is

wrong." Stating that they were not allowed to enter inside the panchayat office, the bidders alleged that manipulations in the bidding process conducted last year. Meanwhile, Sequeira has written to the Chief Sec-

retary and the Director of Panchayats alleging illegalities in the opening of the bids pertaining to the tender issued by the Candolim village panchayat and demanded that the bids be cancelled as the process was vitiated by gross malafides and arbitrar-

iness. "It is vehemently requested to conduct an inquiry and cancel the tender opening process conducted on March 18, 2025, by the village panchayat for being violative of fair principles of tender opening," Sequeira

has said. However, the allegations were refuted by the village panchayat. "We had called tender for four different places. All procedures were followed in the bidding process," panchayat secretary Rajendra Gawas said.
