

Argentina secure 2026 WC spot

Messi-less team dominates arch rivals Brazil as fans rejoice in Buenos Aires

AP, BUENOS AIRES (Argentina): Defending champion Argentina celebrated throughout Tuesday as the team secured its place at the 2026 World Cup hours before an historic 4-1 win over archrival Brazil.

Bolivia's failure to beat Uruguay meant Argentina had enough cushion in South American qualifying to secure one of the continent's six direct spots for the 48-team World Cup set to be co-hosted next year by the US, Canada and Mexico.

After Bolivia's 0-0 draw with Uruguay at El Alto, about 85,000 raucous Argentine fans kicked off the festivities at the Monumental de Nunez Stadium despite the absence of Lionel Messi. They were chanting into the night in Buenos Aires, now more confident their team can defend the World Cup title.

For Brazil, its worst deficit in South American World Cup qualifying history compounded pressure

Argentina's midfielders Rodrigo De Paul, Enzo Fernandez, Exequiel Palacios, Thiago Almada, Leandro Paredes and defender Cristian Romero celebrate their victory against Brazil

on coach Dorival Junior.

Brazil is in fourth place in South American qualifying with 21 points, 10 behind Argentina but only two behind second-place Ecuador, which was held to

a 0-0 draw by Chile. Third-place Uruguay and fifth-place Paraguay also have 21 points, and Colombia is one point behind them in sixth. Seventh-place Venezuela has 15 points after a 1-0

win over 9th-place Peru.

Brazil was missing three regular starters goalkeeper Alisson, defender Gabriel Magalhães and midfielder Bruno Guimarães and wasn't really competitive from

start to finish.

It's the first time Argentina has won both matches against Brazil in a World Cup qualifying tournament. The home victory was also Argentina's first against the Brazilians since qualifying for the 2006 World Cup.

Argentina has led South American qualifying from the start, with few hiccups and major away wins at Brazil and Uruguay. But coach Lionel Scaloni has not fielded 37-year-old Messi in several games, which still raises doubts on whether the star will play at the World Cup next year.

Messi has an injury to his adductor and was not included in Argentina's squad for the two latest matches.

Argentina scored its two first goals in only 12 minutes of play, both thanks to accurate passing and some clumsy Brazilian defending.

Alvarez netted the first in the 4th minute after Marquinhos, Murillo and

Guilherme Arana failed to reach the ball. The Argentine striker shot between the legs of goalkeeper Bento from close range.

Argentina scored again eight minutes later with Enzo Fernandez, once again from close range after a low cross by Gonzalo Molina.

Brazil got one back via Matheus Cunha in the 26th after a mistake by Cristian Romero, who lost the ball to the Brazilian by the edge of the box. Enzo Fernandez found Alexis Mac Allister bursting into the penalty box unmarked 11 minutes later to make it 3-1 to Argentina.

During the break, Brazil sought to get some grip by boosting its presence in the midfield with Joao Gomes and the substitution of Murillo and striker Rodrigo. But it was to no avail, with Giuliano Simeone scoring for Argentina in the 71st after four Brazilian defenders failed to block a low cross in front of their goal.

Messi and Argentine team to visit India for exhibition match

PTI, NEW DELHI: Football fans in India will have another glimpse of Lionel Messi and his Argentine team in an exhibition match in Kerala in October, 14 years after the World Cup-winning captain first visited the country.

In November last year, Kerala Sports Minister V Abdurahiman had announced the news of Argentina visiting the southern state and playing two friendly matches in Kochi.

On Wednesday, HSBC India became the official partner of the Argentine team to collaborate and promote football in India, and announced that the match will be held in October.

"Under this partnership, the Argentine national

football team, including legendary player Lionel Messi, will visit India for an international exhibition match in October 2025," a release from HSBC India said.

"The Argentine Football Association (AFA) and HSBC have today announced the signing of a new one-year partnership for India and Singapore, covering the competitive season in 2025 ahead of the 2026 World Cup qualification final matches."

Messi's first visit to India was to play a World Cup qualifying round match against Venezuela in Kolkata in September 2011. Argentina won that match 1-0 at Salt Lake Stadium.

Brison Fernandes: Goa's rising star ready for ISL playoff glory

AS FC Goa prepare for their Indian Super League (ISL) semi-final clash on April 2, one name stands out among their ranks—Brison Fernandes. The 23-year-old midfielder has been in scintillating form throughout the 2024-25 campaign, setting new records and emerging as a key player for the Gaurs.

Brison has contributed seven goals and two assists, the highest tally by an Indian player for FC Goa in a single ISL season. His exceptional performances have also earned him a maiden call-up to the Indian national team, where he made his debut in the 2027 AFC Asian Cup Qualifier against Bangladesh. Currently, he is the second-highest Indian goal scorer in the league, only behind Sunil Chhetri (12 goals).

Head coach Manolo Marquez has played a pivotal role in Brison's rise, praising the youngster's technical ability, intelligence, and fearless playing style.

"Brison is a typical Goan player. He enjoys playing football. He has passed the situation that he underwent last season, where there was an air of uncertainty around his football. He is enjoying every minute of the game, and this is very important," Marquez remarked.

Marquez, known for his

Successful dribbles, alongside rounding off 70 recoveries and emerging victorious in 73 duels too.

Brison's relentless work ethic has been instrumental in his breakthrough season, something that Marquez has closely monitored. "Work done in training sessions reflects on the field," the Spaniard stated, crediting Fernandes' hard work in training as a key factor in his success.

The ISL playoffs are set to kick off on March 29, with FC Goa set to begin their semi-final campaign on April 2.
