Cannabis over 9.49 acres destroyed in Maharashtra's Dhule district

DHULE (MAHARASHTRA): The Directorate of Revenue Intelligence (DRI) has destroyed cannabis cultivated illegally over 9.49 acres of land in north Maharashtra's Dhule district, officials said on Wednesday. The cultivators were so organised that they even used drip irrigation, said an official release here. The operation was undertaken by DRI Mumbai along with its Pune and Nagpur regional units after receiving specific intelligence that cannabis was being cultivated at Khamkheda Ambe and Rohini villages on Maharashtra-Madhya Pradesh border. After conducting surveillance of this remote area, seven sites with a total of 9.495 acres of cannabis under cultivation were found. Drip irrigation was being used on these sites to increase the yield, "indicating a very organised illicit cultivation", the release said.

Muslim law board to challenge Waqf Bill in court, plans street protests

PTI, NEW DELHI: The All India Muslim Personal Law Board (AIMPLB), a major organisation representing Muslims in India, on Wednesday said it will challenge the Waqf (Amendment) Bill in court and take the fight against the "black law" that threatens the community's rights to the streets. The Waqf Bill was tabled in the Lok Sabha for discussion and passage on Wednesday. If passed by the Lower House, the Bill will be tabled in the Rajya Sabha.

J&K POLITICAL PARTIES OPPOSE WAQF BILL, TERM IT INTERFERENCE IN RELIGIOUS MATTERS

PTI, SRINAGAR: Political parties in Kashmir on Wednesday opposed the amendments made to the Waqf Act saying it was an interference in religious matters and an attempt to disempower Muslims. Union Minority Affairs Minister Kiren Rijiju on Wednesday tabled the Waqf (Amendment) Bill, 2025, in the Lok Sabha. The Bill seeks to improve the functioning of Waqf properties, address complexities, ensure transparency and introduce technology-driven management. Opposition parties have slammed it as "unconstitutional" and against the interest of the Muslim community. She said the secular forces should intervene to prevent the country becoming another Myanmar.

He urged all conscientious citizens to resist the Bill and reaffirmed the AIMPLB's commitment to oppose it both legally and through public demonstrations.

"We will go to court. We will not rest until this (proposed) law is withdrawn," he added.

AIMPLB Vice President Mohammad Ali Mohsin said the Muslim body

"categorically rejects" the Waqf (Amendment) Bill 2025, describing it as discriminatory, communally motivated and a blatant infringement on the constitutional rights of Muslim citizens.

AIMPLB spokesperson Mohammad Ali Mohsin said, "We have started this fight because we want to save the country. Our aim is to put an end to this black law."

He said board members will hold nationwide protests on the lines of the farmers' agitation.

"We will organise programmes across the country just like farmers did. If needed, we will block roads and take all peaceful measures to oppose the bill," Mohsin said.

He said that the Bill undermines fundamental principles of religious freedom, equality and justice, enshrined in Articles 14, 25 and 26 of the Constitution.

He outlined several key objections, including concerns that the Bill erodes Waqf Board autonomy by altering its composition and introducing non-Muslim members, thereby compromising the community's right to manage its own religious and charitable endowments.

Withdraw Waqf Bill, CM Stalin urges PM

PTI, CHENNAI: Tamil Nadu Chief Minister M K Stalin on Wednesday wrote to Prime Minister Narendra Modi seeking withdrawal of the Waqf (Amendment) Bill, 2024, saying it will harm the interest of Muslims.

Stalin said the Constitution grants every citizen the right to follow their respective religion and it is the duty of the elected governments to uphold and

protect this right.

Pak army violates ceasefire after mine blast along LoC in J&K

PTI, JAMMU: Pakistani troops violated the ceasefire by resorting to unprovoked firing after a mine exploded along the Line of Control (LoC) in Poonch district of Jammu and Kashmir, a defence spokesman said on Wednesday. He said the Indian army responded effectively to the ceasefire violation and continues to dominate the LoC where the situation is under control.

Official sources said the violation took place at 1.10 pm on Tuesday. While the Indian Army made no mention of any casualty on the Pakistan side, the sources said five enemy soldiers were injured in the explosion and the subsequent firing between the two sides.

On 01 April 2025, a mine blast occurred in Krishna Ghati Sector while the Pakistan Army was patrolling along the LoC. This was followed by unprovoked firing and ceasefire violation by Pakistan Army, Jammu-based defence PRO Lt Col Suneel Bartwal said in a revised statement. Own troops responded effectively. The Indian Army continues to dominate the LoC. The situation is under control, he said. The earlier statement had mentioned that "a mine blast occurred in Krishna Ghati Sector due to Pakistan Army intrusion across LoC". On February 21, India and Pakistan military held a flag meeting along the LoC in Poonch district in an effort to de-escalate tension after several incidents of cross-border firing and an IED attack. The brigade-commander level flag meeting, lasting 75 minutes, had taken place in the Chakkam-Da-Bagh crossing point area with both sides highlighting the need to maintain peace along the borders. The ceasefire violations along the borders of Jammu and Kashmir have been rare since the two countries renewed an agreement on February 25, 2021. However, several incidents were reported on the LoC in Poonch-Rajouri sector in February.

Kuki groups set three pre-conditions ahead of April 5 Delhi talks

PTI, IMPHAL: Ahead of the April 5 talks between Kuki Zo and Meitei groups called by the Ministry of Home Affairs in New Delhi, the Kuki leadership based in Manipur's Kangpokpi district has set up three pre-conditions including no cross movement between Meitei and Kukis in the areas where the other community is in majority. Kuki Zo Council (KZC) chairman Henliantlang Thanglet said the three conditions were set up during a consultation meet organised at Kangpokpi by the Committee on Tribal Unity (COTU) on Tuesday.

Thanglet said the three pre-conditions are "the movement of Meitei individuals in Kuki-Zo-dominated areas and vice versa shall be strictly restricted, hostilities shall be halted for a minimum period of six months to facilitate negotiations, a structured formal and meaningful dialogue process must be initiated during the ceasefire period." A functionary of the Kuki Zo

More than 250 people have been killed and thousands rendered homeless in ethnic violence between Imphal Valley-based majority Meiteis and adjoining hills-based Kuki-Zo tribals since May 2023

Council said the Union Ministry of Home Affairs has called for a meeting between the Kuki Zo and Meitei groups in New Delhi on April 5.

More than 250 people have been killed and thousands rendered homeless in ethnic violence between Imphal Valley-based majority Meiteis and adjoining hills-based Kuki-Zo tribals since May 2023.

The violence started after a "Tribal Solidarity March" was organised in the hill districts to protest against the Meitei community's demand for Scheduled Tribe (ST) status. There have been many efforts from the central government to bring the warring communities to the negotiating table.
