 The day you went away
 They say that time is a healer
 But as the time goes on,
 We seem to find it just as hard
 To face the fact you've gone.
 And today it's the Anniversary
 Of the day that you went away
 And we are standing here at your graveside
 And believe us when we say
 You'll never be forgotten
 And every year we will shed a tear
 But it's only because we love you
 And wish you were still here..
