Myanmar quake death toll passes 3,300: State media

A rescue worker walks past heavy construction equipment being used to clear rubble at the site of a collapsed building in Mandalay

AFP, YANGON: The death toll from a major earthquake in Myanmar has risen above 3,300, state media said Saturday, as the United Nations aid chief made a renewed call for the world to help the disaster-struck nation.

The March 28 quake flattened buildings and destroyed infrastructure across the country, resulting in 3,354 deaths and 4,508 people injured, with 220 others missing, according to new figures published by state media.

More than one week after the disaster, many people in the country are still without shelter, either forced to sleep outdoors because their homes were

destroyed or wary of further collapses.

A United Nations estimate suggests that more than three million people may have been affected by the 7.7-magnitude quake, compounding previous challenges caused by four years of civil war.

The UN's top aid official on Saturday met with victims in the central Myanmar city of Mandalay -- situated close to the epicentre and now grappling with severe damage across the city.

"The destruction is staggering," Tom Fletcher wrote in a post on X.

"The world must rally behind the people of Myanmar". The new toll was an-

nounced after the country's military junta chief Min Aung Hlaing returned from a rare foreign trip to a regional summit in Bangkok on Friday, where he met with leaders including the prime ministers of Thailand and India.

The general's attendance at the summit courted controversy, with protesters at the venue displaying a banner calling him a "murderer" and anti-junta groups condemning his inclusion.

His armed forces have ruled Myanmar since a 2021 coup, when they wrested power from the civilian government of

INDIA HANDS OVER 442 METRIC TONNES OF FOOD AID TO QUAKE-HIT MYANMAR

PTI, MANDALAY (MYANMAR): India on Saturday delivered a large consignment of food aid to quake-hit Myanmar at Thilawa Port in the southern coastal area to the Yangon region's chief minister as part of its ongoing Operation Brahma. A massive 7.7 magnitude earthquake struck Myanmar, with an epicentre near here, on March 28 and left over 3,100 dead. India launched Operation Brahma to provide necessary support, including Search and Rescue (SAR), humanitarian aid, disaster relief and medical assistance, following the devastating earthquake. India delivered the first tranche of Humanitarian Aid and Disaster Relief (HADR) material to Myanmar in less than 24 hours. On Saturday, the 442 metric tonnes of food aid was delivered through a naval ship at Thilawa Port, about 400 kilometres south of Myanmar.

Aung San Suu Kyi, sparking a multi-sided conflict that has yet to be resolved.

The junta has reportedly conducted dozens of attacks since the earthquake, including at least 16 since a temporary truce was announced on Wednesday, the UN said Friday.

Years of fighting have left Myanmar's economy and infrastructure in tatters, significantly hampering international efforts to provide relief since the quake.

China, Russia and India were among the first countries to provide support, sending rescue teams to Myanmar to help locate survivors.

Indian man stabbed to death in Canada

PTI, OTTAWA: An Indian national was stabbed to death near Canada's Ottawa city and police have taken one suspect in custody, the Indian mission in the country said.

The High Commission of India in Ottawa, the capital of Canada, said the incident happened in Rockland. It did not identify the victim.

"We are deeply saddened by the tragic death of an Indian national in Rockland near Ottawa due to a stabbing. Police have stated a suspect has been taken into custody," The High Commission posted on X on Friday.

"We are in close contact through a local community association to provide all possible assistance to the bereaved kin," it said.

According to CTV News, Ontario Provincial Police (OPP) said a shooting incident happened near Lalonge Street in Rockland just before 3 pm on Friday. The site is roughly 40 kilometres east of downtown Ottawa.

Police have not yet said what charges the person in custody faces, the report said.

OPP said there is no concern for public safety.

"As we are just in the early stages of the investigation, there is no further information that can be provided," the CTV News quoted OPP as saying.

Pakistan detains 300 illegal Afghan immigrants in Karachi for repatriation

PTI, KARACHI: Authorities in Karachi have so far rounded up around 300 illegal Afghans to move them to a holding camp after it launched an operation to repatriate them to their country.

"We are following orders of the interior ministry and many Afghans who had Proof of Registration (POR) cards instead of ACC were released," South Deputy Inspector General (DIG) Syed Asad Raza said.

Since Friday around 300 Afghans holding Afghan Citizenship Cards (ACC), which expire soon, or those without any documentation were brought to the holding facility, Raza said.

He said searches were being conducted daily in Karachi, which has the largest concentration of legal and illegal Afghans, as the law enforcement agencies were directed to enforce the government's decision to repatriate un-

documented foreign nationals.

According to official data, the operation targets an estimated 16,138 individuals.

Haji Abdullah, the head of the Afghans living in the densely populated Afghan Basti on the outskirts of Karachi, said many Afghans voluntarily returned home or went to some other country ever since the new government policy was initiated last September.
