**PANJIM:** Churchill Brothers will be going into their last match against Real Kashmir on April 6, Sunday. They need just a point to win the I-League and qualify for the Indian Super League, the top division league in the country.

There are so many scenarios for each team to succeed and fail, that this is only the tip of the iceberg. We can run into ifs and buts, and this and that, but there's only one team that can break this ice – Churchill Brothers.

The leaders are the only team among the four with everything in their hands. Win in Kashmir and the trophy will be theirs, irrespective of anything that transpires in Kalyani or Kozhikode, or even in the hearing. It just emphasises the significance of that late Lalremruata equaliser against Inter Kashi last week.

## PREVIEWS

But then, it's winning in Kashmir we're talking about. That attempt was made by 10 teams this season. Only seven goals have been scored by visitors at the TRC football Stadium, Srinagar, Jammu & Kashmir. The Red Machines will have their task cut out, especially against a Real Kashmir side, who also have their shot at history. The Snow Leopards can bring the trophy to the valley by beating Churchill Brother with a three-goal margin, and wishing Gokulam Kerala don't beat Dempo Sports Club.

The other issue is that they're not known to be prolific scorers. With 30 goals, Real Kashmir are only the ninth-highest scorers in the league. But flip to the other side of the coin, and you realise Churchill Brothers have kept only three clean sheets this season. This is a match to go all out for the win, exactly how title deciders should be.

The **O Herald** takes a look at the squad preparing for the tie.

### STENDLY FERNANDES

The 24-year-old is a forward who has starred in 19 matches for Churchill Brothers. He has scored four goals in the campaign. His pace and power has caused trouble for many teams in the Goa league from his days with Sporting Clube de Goa but that has been few and far in between for the team in this campaign. The management will hope he plays to his potential because he has the game to win on his own. He has been with the squad from October 2023. The number 7 with his performance has helped his team win matches by scoring goals during crucial moments in the match.

### WAYNE LEKAY

The South African national is without a doubt the talisman of the squad. The highest goal scorer for the team with 12 goals in 20 matches, the 27-year-old from Cape Town is a very good addition

## GOLDEN EAGLES AIM TO SIGN OFF CAMPAIGN ON A HIGH

**PANJIM:** Dempo SC will look to sign off their I-League 2024-25 campaign on a high as they square off against Gokulam Kerala FC in a high-profile clash on April 6, at the EMS Corporation Stadium, here.

Heading into the season's final fixture, the Golden Eagles are brimming with belief after a spirited 1-1 draw against Real Kashmir. Ivorian midfielder Didier Brossou capped off a solid run of form with his first goal of the season, but the Snow Leopards clawed back with a second-half equaliser from Kamal Issah. Reflecting on the club's resurgence in the second half of the season, Head Coach Samir Naik credited the January transfer window as a turning point. "We brought in a few key names in January, and that really elevated our level. Even before that, we were punching above our weight with just three foreigners. But those additions added depth and balance. Had we secured

them earlier, I truly believe we'd be in a much better place in the standings," Naik shared.

Among the standout arrivals, striker Marcus Joseph has proven to be a revelation. The Trinidadian's clinical finishing has added bite to Dempo SC's attack, scoring 10 goals and chipping in with assists since joining mid-season.

"Marcus has been phenomenal," Naik added. "He brought hunger, experience, and a natural goal-scoring instinct. Players like him change games. He's got the quality to score 15-20 goals a season, and we've seen glimpses of that already."

Their opponents, Gokulam Kerala, come into the match off the back of a narrow 1-0 victory over Greenid Deccan, courtesy of Thabiso Brown. Sitting third with 37 points, the Malabarians will be aiming to close out their campaign with a statement win. But Dempo SC will have other plans.

The reverse fixture at Fatorada saw Dempo SC dominate large portions of the game, only to be undone by a late strike. It's a memory that still lingers, and the team is keen to settle the score.

"They caught us with a late goal the last time, but we were the better team for much of that match," Naik recalled. "We've grown since then. We know what we're capable of, and Sunday is about finishing with pride, purpose, and a performance that reflects our journey."

Naik confirmed that the squad is nearly at full strength, with Juan Mera Gonzalez the only absentee due to illness. Currently ninth with 26 points, Dempo SC will be eager to deliver a complete performance and end the campaign on a positive note, a fitting conclusion to a season that, despite its ups and downs, has laid a solid foundation for the future.

### Arsenal drop points at Everton to further boost Liverpool's EPL title chances

**LONDON:** Everton did local rival Liverpool a big favor in the Premier League title race by taking points off second-placed Arsenal on Saturday. A 1-1 draw at Goodison Park left Arsenal 11 points behind Liverpool with seven games to play in what is looking like an increasingly forlorn task to catch the leader. Iliman Ndiaye converted a penalty in the 49th minute to earn Everton a point after Leandro Trossard gave the lead in the 34th to Arsenal, which left key players -- like Martin Odegaard and Bukayo Saka -- out of its starting team ahead of hosting Real Madrid in the Champions League on Tuesday. Liverpool's game in hand is at Fulham on Sunday, with the Reds' task having gotten much easier as they look to secure a record-tying 20th English top-flight title. Results: Crystal Palace 2 (Mateta 3, Munoz 55) Brighton 1 (Welbeck 31) Everton 1 (Ndiaye 49-pen) Arsenal 1 (Trossard 34), Ipswich 1 (Delap 16) Wolves 2 (Sarabia 72, Strand Larsen 84), West Ham 2 (Fullkrug 61, Bowen 68) Bournemouth 2 (Evanilson 38, 79).

### India must deal with education of trainers to progress in football, feels Brazil's Edmilson

**MUMBAI:** India must deal with the education of its football trainers and assess the ambitions of young players in order to progress in the sport, feels Brazil's 2002 World Cup winner Jose Edmilson. Edmilson is among a host of star players of the past from Real Madrid and FC Barcelona who will play in a 'Legends Faceoff' at the DY Patil Stadium, here, on Sunday. Among those who will be seen in action are Carlos Puyol, Luis Figo, Xavi, Javier Saviola, Rivaldo, Fernando Morientes, Michael Owen and many more. There are a lot of matters to deal with before having to get the technique to be a good football player. India has to deal with education in trainers and also checking the kids' ambitions," Edmilson told a media conference here ahead of the match. "Because, before creating a good player, they have to create a good man, and that's very important. In a lot of places, kids dream about becoming players. But there are a lot of society problems that have to be solved before that."
