

## 2 dead, 14 injured in Dehradun bus accident

**PTI, DEHRADUN:** Two passengers including a teenage student died and 14 others were injured at Sahaspur in Dehradun district on Monday when a bus overturned after colliding head-on with a vehicle, police said.

Half a dozen students returning home from school were also among the injured, the police said, adding they were from Boksa Inter College. The deceased were identified as Pawan (22) and Kadil (16), a student.

Preliminary information available with the police said a child was also among the dead. The bus coming from Vikasnagar to Dehradun collided with a cargo vehicle in Singhniwala area of Sahaspur and overturned on the road. The police pulled those

trapped inside the bus with the help of locals and admitted them to the hospital where Pawan and Kadil were declared dead by doctors. Out of 14 persons injured in the mishap, a woman with minor injuries has been discharged while the rest are still undergoing treatment.

## Indian Navy warship INS Sahyadri arrives in Colombo for joint activities

**PTI, NEW DELHI:** Indian Navy warship INS Sahyadri, mission deployed in the Indian Ocean Region (IOR), has arrived in Colombo on a visit, highlighting the strengthening of maritime ties between India and Sri Lanka, officials said on Monday.

Personnel from both the navies will engage in knowledge-sharing and joint activities to enhance operational synergy between the two maritime forces, they said.

The visit underscores the longstanding partnership between the two nations, furthering co-operation under India's 'Neighbourhood First' policy and vision MAHASAGAR (Mutual and Holistic Advancement for Security Across the Regions) initiatives, the officials said.

During his visit to Mauritius in March, Prime Minister Narendra Modi unveiled this vision for security and growth of the Global South.

Modi said India's new vision for the Global South called MAHASAGAR will bring growth security.

"Strengthening maritime ties between India and Sri Lanka, the Indian Navy's Eastern Fleet warship INS Sahyadri, mission deployed in the IOR, has arrived in Colombo," an Indian Navy spokesman said.

The visit marks a key moment in regional co-operation, reinforcing mutual commitment to maritime safety and envi-

ronmental protection, he said.

"As part of the visit, personnel from both the navies will engage in professional interactions, knowledge-sharing sessions, and joint activities to enhance operational synergy between the two maritime forces," the spokesman said.

The Indian Navy said it remains committed to fostering regional stability and strengthening naval diplomacy with friendly nations.
