PTI, AHMEDABAD: In a stern warning to non-performing leaders, Congress president Mallikarjun Kharge on Wednesday said those who do not help in party work should take rest and those who don't fulfil their responsibilities should retire. In his inaugural address at the AICC session on the banks of the Sabarmati river here, Kharge also alleged "fraud" in elections and said the Maharashtra polls were won like this as he made a strong pitch for return to ballot paper. He attacked the Election Commission for not stopping the "irregularities" and instead taunting the parties raising questions. He also hit out at the ruling BJP government accusing it of inciting communalism by raising 500 years-old issues and seeking to divide people and promote hatred among them, instead of preparing for future challenges.

Such dangerous thinking should never be supported, Kharge said. Talking tough, he said, "I also want to say that those who do not help in party work, need to rest, those who do not fulfil their responsibilities must retire," amid applause from Congress leaders and workers. "There is fraud happening in elections. With the advancement of electronic technology, developed countries of the world have abandoned EVMs and moved towards ballot paper. But our Election Commission is not ready to take cognizance of this. We saw in the Maharashtra elections that fake voter lists are being prepared," he alleged. Kharge also stressed that role of district Congress committee presidents in the organisation will be greatly enhanced and they will henceforth have a say in the selection of party candidates.

No loan waiver for Wayanad victims: Centre

PTI, KOCHI: The Union government told the Kerala High Court that the loans of people affected by the landslides in Wayanad in July last year would not be waived. Instead, they will be rescheduled or restructured in accordance with the RBI's Master Directions on Natural Calamities. The Centre made this submission in an affidavit filed in response to the High Court's query on whether the loans availed by the affected individuals could be waived. In the affidavit, the Union Finance Ministry stated that a special meeting of the State Level Bankers' Committee (SLBC) Kerala was held on August 19 last year. The meeting, which was also attended by Chief Minister Pinarayi Vijayan, decided to extend the applicable relief measures in line with the RBI's Master Directions on Natural Calamities. According to RBI's master

ter directions, in the event of a natural calamity, the financial relief measures to be adopted include the restructuring or rescheduling of existing loans—which would entail a one-year moratorium—and the provision of fresh loans. The Centre had earlier informed a bench of Justices A K Jayasankaran Nambiar and Easwaran S that the proposed measures were limited to a moratorium and restructuring of loans availed by the landslide victims. This submission was made during the hearing of a PIL initiated by the court on its own in the wake of the Wayanad landslides, aimed at improving disaster prevention and management in Kerala. A major landslide struck the Mundakkai and Chooralmala regions on July 30 last year, almost completely decimating both areas.
