

Will AIADMK seek NEET exemption as pre-condition for its alliance with BJP, asks TN CM Stalin

PTI, CHENNAI: Chief Minister M K Stalin on Monday asked Leader of Opposition Edappadi K Palaniswami if the AIADMK would tell the BJP that scrapping NEET is a pre-condition for it to continue in the NDA.

Stalin's attack on Palaniswami in the Assembly came after the opposi-

tion leader criticised the DMK-Congress regime for the NEET's introduction in the state. "Now you have got the right opportunity to address that problem," Stalin said and demanded to know if the AIADMK would say that it would stay back in the BJP-led NDA only if the current NEET exam system is

scrapped.

"Will it say that it will snap ties if this was not done? and that is the question," he said.

Palaniswami said the DMK gave an assurance to people that it would scrap NEET ahead of the 2021 polls and the AIADMK made efforts to stop the test, which was launched during the Congress-DMK regime at the Centre.

The LoP, referring to the Supreme Court verdict on NEET wondered whether anything could be done in contravention of that judgment and asserted that only the top court could review its ruling.

The chief minister said it was true that the DMK gave an assurance to the people on cancelling NEET in the state.

He said: "We are not denying that. We would have fulfilled our promise for

sure had our alliance (INDIA bloc) captured power at the Centre. Now, you

have formed an alliance; will you put forward this rider (seeking ending NEET

in Tamil Nadu) for continuance of the alliance and that is the question."
