Israeli strikes kill 14 in Gaza, destroy heavy equipment

AP, DEIR AL-BALAH (GAZA STRIP): Israeli strikes on the Gaza Strip killed at least 14 Palestinians, mostly women and children, and destroyed bulldozers and other heavy equipment that had been supplied by mediators to clear rubble. Separate strikes on Tuesday killed two people in Lebanon. Israel's 18-month offensive against Hamas has destroyed vast areas of Gaza, raising fears that much of it may never be rebuilt. The territory already had a shortage of heavy equipment, which is also needed to rescue people from the rubble after Israeli strikes and to clear vital roads. A municipality in the Jabaliya area of northern Gaza said a strike on its parking garage destroyed nine bulldozers provided by Egypt and Qatar, which helped broker the ceasefire that took hold in January. Israel ended the truce

last month, renewing its bombardment and ground operations and sealing the territory's two million Palestinians off from all imports, including food, fuel and medical supplies. The strikes also destroyed a water tanker and a mobile generator provided by aid groups, and a truck used to pump sewage, the Jabaliya al-Nazla municipality said. There was no immediate comment from the Israeli military on the strikes. The military says it only targets militants and blames civilian deaths on Hamas because the group operates in densely populated areas. Israeli strikes kill 14, mostly children. NEET aspirant dies by suicide in Kota hostel

Suicide note says family, exam not to be blamed

PTI, KOTA (RAJASTHAN): An 18-year-old NEET aspirant from Bihar allegedly committed suicide by hanging himself in his hostel room here in the early hours of Tuesday, police said. In a suicide note recovered from his room, the student said neither his family nor his preparation for NEET-UG was the reason behind his extreme step, police said. The student, a native of Chapra in Bihar, was preparing for NEET-UG at a coaching institute here for around a year and living in a hostel in the Landmark City area, Circle Inspector, Kunhadi police station, Arvind Bhardwaj said. Before taking the extreme step, the student sent a WhatsApp message to his sister, who then called the hostel caretaker and asked him to check her brother's room, Bhardwaj said. The caretaker knocked on the door of the teenager's room but did not receive any response. He then informed police, who rushed to the spot and broke open the door. The student was found hanging inside the room, the circle inspector said. Though the ceiling fan in the hostel room was equipped with an anti-suicide device, the student managed to tie the rope that he used to hang himself to an iron hook above the device, he added. A suicide note was recovered from the room. In the note, the student said that neither his family nor NEET was to be blamed for his decision. He, however, did not disclose the reason, Bhardwaj said.
