

# Punjab Kings, Delhi Capitals IPL clash called off amid blackout in Dharamsala

May 11 game between Mumbai Indians and Punjab Kings in Dharamsala moved to Ahmedabad

**PTI, DHARAMSALA:** The IPL match between Punjab Kings and Delhi Capitals here on Thursday was cancelled midway following air raid alerts in neighbouring cities of Jammu and Pathankot, putting the entire league at risk of being called off due to India's ongoing military conflict with Pakistan.

The Punjab side was 122 for 1 in 10.1 overs when lights went out which at first was attributed to floodlight failure. The game

had started later than scheduled due to rain before the hill town went dark for some time.

The teams and the assembled fans were eventually evacuated from the stadium for their security. The picturesque ground can accommodate approximately 23,000 spectators and it was packed to about 80 per cent of its capacity at the time of evacuation.

"There was no panic from the spectators. They (spectators and players)

were moved out of the stadium very carefully and safely," a Himachal Pradesh Cricket Association source told PTI.

Several people raised anti-Pakistan slogans while on their way out of the stadium. Prabhsimran Singh was batting at 50 off 28 balls while his opening partner Priyansh Arya made 70 off 34 balls before getting dismissed by pacer T Natarajan when proceedings came to a halt.

The players and support

staff of both the teams will now be brought to Delhi aboard a special train from Pathankot, which is about 85km from Dharamsala. The teams will reach Pathankot by road.

Dharamsala's lone airport and the ones in neighbouring Kangra and Chandigarh are closed for operation right now as part of precautionary measures to thwart Pakistani attacks.

With the cancellation of this match, it is not clear

whether the league will proceed any further and it is learnt that a BCCI meeting is currently in progress amid security concerns raised by the participating foreign players.

Sources say the foreign recruits wants to head home at the earliest.

India launched missile attacks on terror infrastructure in Pakistan and Pakistan Occupied Jammu and Kashmir a fortnight after the April 22 Pahalgam terror attack in which 26

people were killed.

On Thursday, a blackout was enforced in several districts including Pathankot, Amritsar, Jalandhar, Hoshiarpur, Mohali in Punjab and Union Territory Chandigarh amid air raid alarms and reports of explosion-like sounds in Jammu.

IPL's schedule has already been affected by the developments as the May 11 game between Mumbai Indians and Punjab Kings in Dharamsala has been moved to Ahmedabad.

## Sans superstars, PSG reach Champions League final

To face Inter Milan for elusive title on June 1 at 12.30 am

**AP, PARIS:** Paris Saint-Germain weathered one attack after another and showed remarkable adaptability Wednesday to hold off and defeat an inspired Arsenal 2-1 to reach the Champions League final and have another shot at the title it craves.

Deprived of the ball possession it usually enjoys, PSG looked shaky early on but found answers by relying on counter-attacks and goalkeeper Gianluigi Donnarumma to advance 3-1 on aggregate.

PSG reached the final of Europe's elite tournament for just the second time in club history — it was runner-up five years ago — and did so in the first season following superstar Kylian Mbappé's departure to Real Madrid.

The big hole left by Mbappé was not filled by yet another superstar. It

was a major change at a club where for more than a decade owners had spent lavishly to attract big names such as Zlatan Ibrahimovic, Lionel Messi and Neymar.

The club's new approach allowed coach Luis Enrique to build a rejuvenat-

ed, rock-solid side playing some of the best football in Europe.

"I said from the first day that our goal was to work hard enough to be in a position to make history — and that remains our goal," Enrique said.

"To be the first to win the long-awaited trophy. This is a project that has evolved since last year, and I feel very comfortable here as a coach because I have the freedom and support from the president to build what we want, adapting to the market to put together a team that improves every day."

The French club will try again for its first Champions League title when it faces Inter Milan on June 1 in Munich, at 12.30 am.

"We believe in our coach and we believe in our players — in our talented, young, hungry players," PSG president Nasser al-Khelaifi told CBS Sports.

## Dhoni on IPL future: Will take a call later

**PTI, KOLKATA:** Chennai Super Kings captain Mahendra Singh Dhoni says "there is no escaping the fact" that he is in the twilight of his IPL career but a decision on his future will depend on how his body responds to the pressure of hard work in the next six to eight months.

The former India captain, who is being met with a sea of adoring fans in yellow at every venue he goes to, is well aware of the emotions and his passionate followers' desire to be there when he plays his last game.

"That is the love and affection I have gotten throughout. Not to forget I am 42 (43). I have played a long time. A lot of them don't know when it is going to be my last time, so they want to come and see me play," Dhoni said after CSK's two-wicket win over Kolkata Knight Riders here on Wednesday.

Dhoni, who underwent a knee surgery in 2023, has continued to battle fitness concerns. CSK head coach

Stephen Fleming recently admitted that the veteran "can't bat 10 overs running full stick."

All of this has contributed in building speculation that the ongoing season is his last outing in the league.

The enigmatic wicket-keeper-batter said he is fully aware of where he stands in his storied career right now but will not make a decision without deliberating hard over it and fully assessing his fitness.

"There is no escaping the fact (that I am in the last phase of my career). After this IPL gets over, I have to work hard for another 6-8 months to see if my body can take this pressure."

"Nothing to decide now but the love and affection I have seen is excellent," Dhoni said.

The win was only the third of CSK's disappointing season marred by inconsistency. With play-off hopes dashed, Dhoni said the focus is now on testing bench strength.
