A total of 32 airports across northern and western parts of the country, including Srinagar and Amritsar, have been closed for civilian flight operations till May 15

**PTI, NEW DELHI:** At least 60 domestic flights to and from the Delhi airport were cancelled on Saturday, a source said.

Security measures have been beefed up, and at least 32 airports in northern and western parts of the country have been temporarily shut as the military conflict between India and Pakistan has intensified.

The source said 30 domestic departures and 30 arrivals were cancelled at the Delhi airport from 5.00 am to 2.30 pm.

On Friday, 138 flights to and from the Delhi airport were cancelled by various airlines.

There have been multiple flight cancellations at the Indira Gandhi International Airport in the last few days.

In a post on X on Saturday, DIAL said airport operations continue as normal.

"However, due to evolving airspace conditions and enhanced security measures as directed by the Bureau of

## 75 KERALA STUDENTS BROUGHT BACK FROM BORDER STATES AMIDST INDIA-PAK MILITARY CONFLICT

**PTI, THIRUVANANTHAPURAM/NEW DELHI:** Amidst the military conflict between India and Pakistan, around 75 students from Kerala, who were studying in universities in some border states, are on their way back home, the state government said on Saturday. The students from various central and state universities in Jammu, Rajasthan, Punjab, and other places, along the border with Pakistan, reached Kerala House in Delhi late last night and early Saturday morning, a statement issued by the Chief Minister's Office (CMO) said.

## 39 students leave Srinagar for Himachal after Pakistan shelling

**PTI, SHIMLA:** A bus carrying 39 students from Himachal Pradesh studying in Srinagar left for Jammu on Saturday on their way home following overnight attempts by the Pakistani military to hit Indian installations in Jammu and Kashmir.

Pakistan carried out multiple attempts to strike vital installations in Srinagar, the Union Territory's summer capital. Drone attacks on several installations, including Srinagar airport and south Kashmir's Awantipora air base, were thwarted late on Friday.

India and Pakistan have since agreed to a ceasefire, with Foreign Secretary Vikram Misri announcing that the directors general of military operations of both countries had decided to stop all firings and military action on land, air and

sea with effect from 5 pm on Saturday.

The bus was arranged by the Jammu and Kashmir government following a request by its Himachal Pradesh counterpart. It departed Srinagar at 11 am and was initially expected to reach Jammu by 5 pm. However, the arrival was delayed due to heavy traffic near Banihal on the Jammu-Srinagar National Highway, a statement by the Himachal Pradesh government said.

Authorities now expect the bus to reach Jammu later in the evening.

Himachal Road Transport Corporation (HRTC) Managing Director Nipun Jindal said that, as per the directions of Chief Minister Sukhvinder Singh Sukhu, state officials are in constant coordination with authorities in Punjab and Jammu and Kashmir.

## 8 suspected cases test negative, patient condition remains critical

**PTI, THIRUVANANTHAPURAM:** The Kerala government on Saturday said that eight more people, who had come into contact with a Nipah virus infected patient in Malappuram district, tested negative for the disease.

cleared of the disease has reached 25, the statement.

Meanwhile, 37 more were added to the contact list of the infected patient, bringing the total number to 94, it said.

Of these, 53 are in the high risk category with 40 of them from Malappuram, 11 from Palakkad and one each from Ernakulam and Kozhikode districts of the state, it said.

The remaining 43 are in the low risk category, the statement said.

Besides the infected person, five others are under treatment in various hospitals in the state, the minister said in the statement.

A joint outbreak investigation has been started in Malappuram district with the coordination of various departments, the statement said.

## CPI(M) urges EC for electoral reforms

**PTI, NEW DELHI:** The CPI(M) suggested moving to a partial proportional representation system during a meeting with the EC on Saturday while also expressing concern over proposals on the delimitation exercise and holding simultaneous polls.

The Left party was the third to be called for a meeting with the Election Commission (EC), which is holding discussions with national and state parties to get a better understanding of their concerns after Chief Election Commissioner Gyanesh Kumar took charge.

The CPI(M) delegation included its general secretary MA Baby, Polit Bureau member Nilotpal Basu and Central Secretariat member Muralidharan.

The Left party also expressed concern over the process of selection of the election commissioners, including the chief election

commissioner. "We submitted a very detailed understanding of the CPI(M) on various issues. Certain issues are related to modifications in the electoral process such as proportional representation, which we have demanded - This is not within the purview of the Election Commission...", Baby said after the meeting.

The proportional representation system gives representation not just on the basis of seats won by a political party but also counts its vote share percentage.

The Left party, in its submission to the EC, said the first-past-the-post system was proving to be increasingly outmoded in reflecting popular opinion, with increasing disconnect between the popular votes polled by parties and the number of seats they secured in legislatures.
