# Jaishankar's silence 'damning', says Rahul

**PTI, NEW DELHI:** Leader of Opposition in the Lok Sabha Rahul Gandhi on Monday launched a fresh attack on External Affairs Minister S Jaishankar, saying his silence on the number of aircraft India "lost" after Pakistan was "informed" about the military action under Operation Sindoor is "damning".

The BJP hit back, accus-

**"EAM Jaishankar's silence isn't just telling, it's damning. So I'll ask again: How many Indian aircraft did we lose because Pakistan knew?"**

— **Rahul Gandhi, LoP in Lok Sabha**

ing Gandhi of speaking the "language of Pakistan".

Gandhi had earlier also targeted Jaishankar on the issue, suggesting that the Indian side informed Pakistan ahead of the military strikes on terrorist infra-

structure in Pakistan and Pakistan-occupied Kashmir (PoK).

However, the Ministry of External Affairs (MEA) had described Gandhi's claims that Jaishankar acknowledged India having alerted Pakistan before the launch of Operation Sindoor on May 7 as "utter misrepresentation".

"EAM Jaishankar's silence isn't just telling, it's damning. So I'll ask again:

How many Indian aircraft did we lose because Pakistan knew?" he asked in a post on X.

"This wasn't a lapse. It was a crime. And the nation deserves the truth," Gandhi also said.

Congress leader Pawan Khera also attacked Jaishankar saying the country is asking questions on why Pakistan was forewarned about Operation Sindoor, alleging that "Sindoor ke saath sauda hota raha aur Pradhan mantri chup rahe" (the deal with Sindoor kept happening and the prime minister remained silent).
