SHRI MICHAEL LOBO

MLA Calangute Constituency

A Visionary Leader with a Heart of Gold: Michael Lobo

The man with a vision and a heart of gold needs no formal introduction — Michael Lobo, the dynamic leader who has made a remarkable hat-trick by being elected for the third time to represent the Calangute constituency. Known for his charisma, unwavering dedication, and people-first approach, Lobo has earned admiration even from his critics, winning hearts across party lines. When the COVID-19 pandemic cast a dark shadow over Goa, Michael Lobo stood tall like the Rock of Gibraltar, providing unwavering support to the people. His compassion knew no boundaries — he reached out far beyond his constituency to assist anyone in need, touching countless lives during their most difficult times. Critics may have their say, but actions speak louder than words. Lobo's tireless efforts to serve the people of Goa during the crisis proved his commitment to humanity. Always on his toes, Michael Lobo has a clear vision: to make Calangute the number one constituency in Goa. His tenure in ministry has seen significant developmental progress, especially for the underprivileged. He has been a tireless advocate for the poor, ensuring that no one is left behind. Empowering women has also been a key part of his mission. Lobo has actively supported the formation of self-help groups across his constituency, helping women start small businesses and become financially independent. He even facilitated shops for them along the beach belt, enabling them to showcase traditional Goan cuisine and crafts to tourists. This not only promotes local culture but also provides additional income to many families. As the people of Calangute celebrate the birthday of their beloved and energetic MLA, they extend their heartfelt wishes to Michael Lobo. May God bless him with strength, health, and continued success in his noble mission to uplift the people of Goa.

Happy Birthday, Michael Lobo!
