

Swiss sojourn: A culinary and cultural expedition

Under the expert guidance of Prof Irfan Mirza, and accompanied by Chef Sebastian Breitinger and Dr Semele Sardesai, a select group of 16 students of VM Salgaocar Institute of International Hospitality Education, Manora-Raia, embarked on a b10-day educational and cultural tour of Switzerland and neighbouring regions. The tour was an immersive journey through vineyards, culinary institutes, historic cities and mountain towns.

The group, which included students Aaron Misquita, Alysia DeSouza, Dillon D'Silva, Endrea Fernandes, Fiona Rangel, Harsh Bhilare, Kay D'Souza, Lakshaya Deenan, Natasha Hede, Salome Da Costa, Samuel Maben, Shrey Valaulicar, Shreya Keshkamata, Suellen Martins, and Suhani Khatkar, departed Goa and touched down in Zurich and were driven into Alsace, France, crossing four countries in under 24 hours.

Day two featured wine tastings in Alsace, beginning at Schilling Renck, where students learnt traditional methods of wine production. Later at Cattin Winery, the group observed large-scale operations and sampled a flight of expertly paired wines, including Crémant d'Alsace and Gewürztraminer with Munster cheese.

Day three began with a tour of Felschlösschen Brewery in Rheinfelden, Switzerland. Guided by Roger, the visit offered insight into both heritage and sustainability in brewing. From there, the group headed to Montreux, arriving in the rain but in high spirits. The evening was highlighted by a heartfelt visit to friends from last year's trip in Caux, culminating in a musical performance by their host, Roxanne.

At César Ritz Colleges in Le Bouveret, Day four offered a deep dive into hospitality education. The group toured state-of-the-art kitchen facilities, viewed the prestigious Anton Mosimann collection, and dined in the campus cafeteria. The day ended with a sunset picnic hosted by Mrs Marga Cretton, complete with homemade pâté and good cheer.

Day five took students to Broc for a visit to Maison Cailler Chocolate Factory, followed by cheese tasting at La Maison du Gruyère. After a traditional alpine lunch, they toured Château de Gruyères and travelled to Interlaken, stopping mid-journey for an impromptu snowball fight.

Lauterbrunnen's roaring waterfalls and Gstaad's alpine charm defined Day six, while Day seven brought a deep cultural experience in

Bern. Students visited BearPark, explored Swiss governance at the Parliament, and spent time relaxing by Interlaken's lakeside.

On Day eight, the group journeyed through the Gotthard Pass to Locarno, stopping for Italian fare at K America Restaurant. Day nine included a scenic trip to Lake Como, complete with city walks, gelato, shopping, and an unfortunate injury to one student who had to rest back at the hostel.

The penultimate day offered time in Lucerne—highlighted by a visit to Läderach Chocolatier and a walk across the historic Chapel Bridge—followed by an afternoon tour of Zurich. The final day saw a reflective goodbye in Doha airport, with students sharing their most cherished memories before returning home to Goa, enriched by knowledge, culture and camaraderie.
