Honeymoon murder: Victim's kin seek detailed questioning of Sonam to know 'complete truth'

PTI, INDORE: The elder brother of Raja Raghuvanshi, who was murdered in Meghalaya during his honeymoon trip, has alleged that the victim's wife Sonam Raghuvanshi is misleading the police, demanding that she be subjected to detailed questioning.

He said on Thursday that Sonam and four other accused in the case must be brought to Indore for a thorough investigation to uncover the "complete truth" behind the murder, which sent shockwaves across the country.

The remarks came on a day a Shillong court extended the police custody of Sonam and her alleged paramour Raj Kushwaha by two days.

"Sonam misled the investigators during her eight-day police custody and withheld key details about the murder. She must be remanded in police custody for a longer period for proper interrogation," Raja's brother Sachin Raghuvanshi told PTI in Indore.

He reiterated the demand for a narcoanalysis test of Sonam's entire family, al-

leging that her relatives and friends might also have played a role in the conspiracy to murder his brother.

"It is not easy to plan such a massive conspiracy. The motive behind my brother's murder must be clearly established. For that, Sonam and the other accused should be brought to Indore for detailed questioning," he added.

Raja's mother Uma Raghuvanshi broke down while remembering her late son and kept asking: "Why did Sonam get my son killed?"

Iran lifts airspace restrictions to help evacuate 1,000 Indians

PTI, NEW DELHI: In a special gesture, Iran has lifted airspace restrictions for three charter flights to evacuate about 1,000 Indian nationals, mostly students, from the Iranian city of Mashhad.

Mohammad Javad Hosseini, the deputy chief of mission at the Iranian embassy, said more evacuation flights could be operated in the coming days to bring back Indians if required.

The Indian nationals were moved to Mashhad from Tehran following Israeli attacks on the Iranian capital city. The evacuation flights, to be operated by Iranian airline Mahan, are being arranged by New Delhi.

India launched Operation Sindhu on Wednesday to bring back its nationals from Iran and Israel in view of the precarious security situation arising out of Iran-Israel hostilities. The first chartered flight carrying Indians are set to land in Delhi on Friday evening.

"We consider Indians as our own people. Iran's airspace is closed but because of this issue, we are making arrangements to open it for the safe passage of Indian nationals," Hosseini said at a media briefing.

"We are arranging for the safe passage of Indians who want to leave via air or via road through third countries, or directly from Iran - Mohammad Javad Hosseini, Deputy chief of Iranian embassy"

"We consider Indian nationals to be our own people. They are like Iranians," he said.

"About 1,000 Indians who were relocated from Tehran to Qom and then to Mashhad will be evacuated to New Delhi on three charter flights," Hosseini said.

"The first flight will land tonight at the New Delhi airport and there will be two more flights on Saturday," he said.

The Iranian diplomat said more such flights could be arranged in the coming days if required.

Hosseini said Tehran is in close contact with the Ministry of External Affairs (MEA) and the Indian embassy in Tehran to ensure safe evacuation of Indian nationals.

"We are arranging for the safe passage of Indians who want to leave via air or via road through third countries, or directly from Iran," he said.

Not necessary for woman to get husband's signature for applying passport: HC

PTI, CHENNAI: The Madras High Court has held that it is not necessary for a woman to get the permission of her husband and take his signature before applying for a passport before the authorities.

Justice N Anand Venkatesh gave the ruling in a recent order while disposing of a petition filed by Revathy. She sought a direction to the authorities to issue a fresh passport without insisting signature from her husband in a time bound manner.

The case of the petitioner was that she got married in the year 2023 and that there was a matrimonial dispute between the parties which resulted in her husband filing a petition before a local court, seeking for the dissolution of the marriage. This petition was pending.

The petitioner, applied for a passport in April this year before the Regional Passport Office (RPO) in the city. It was not processed and when enquired, the petitioner was informed that she must obtain the signature of her husband in

Form-J and only thereafter, the application will be processed by RPO.

The RPO also took into consideration the pending dispute between the petitioner and her husband before the Court.
