**PTI, RANCHI:** Three persons, including two women, were killed in two separate rain-related incidents in Jharkhand's Ranchi district on Monday, police said.

Two women died after being struck by lightning in Sonahatu area, while a 40-year-old man was killed when a wall collapsed on him when he was returning home with his two children from school.

The first incident occurred in Saodih village under Sonahatu police station area, around 60 km from Ranchi, in the afternoon. Two women were standing near a pond while grazing their cattle when they were struck by lightning, police added.

The deceased were identified as Ramni Devi, 61, and Draupadi Devi, 40. Sonahatu police station in-charge Chandan Kumar said, "Both women were standing near a pond grazing their cattle when they were struck by lightning. A buffalo was also killed in the incident."

He added that the bodies have been sent for post-mortem examination.

The second incident took place in Bashartoli, within Lower Bazar police station limits in Ranchi city.

"The man, identified as Bablu Oraon (40), was returning home with his two children from school when a wall suddenly collapsed on them. All three were taken to a hospital, but the father succumbed to his injuries during treatment," said Lower Bazar police station in-charge Dayanand.
