Raj, Uddhav reunite over language

PTI, MUMBAI: Estranged cousins Uddhav and Raj Thackeray will unite for the cause of the Marathi language, as their parties will stage a joint protest against the 'imposition' of Hindi and the state government's three-language formula for Classes 1-5.

The protest on July 5 will bring Shiv Sena (UBT) chief Uddhav Thackeray and Maharashtra Navnirman Sena (MNS) president Raj Thackeray on the same platform.

Both leaders had asserted on Thursday that they would vehemently oppose the imposition of Hindi and the three-language formula while addressing separate press conferences at the same time.

Uddhav had announced to join a protest by civil society at Azad Maidan on July 7, while Raj declared that he would take out a non-political march from Girgaum Chowpatty on July 6, and would invite leaders of all political outfits, including the Shiv Sena (UBT).

Talking to reporters on Friday, Shiv Sena (UBT) leader Sanjay Raut said Raj invited him to take part in the July 6 protest.

Scrutiny over illegal crusher finally spurs Panchayat into action

Sanvordem Panchayat orders removal of crusher after public outcry and O Heraldo reports

GAURESH SATTARKAR

GUDDERMOL, SANVORDEM: After public outrage and a series of reports by O Heraldo, the Sanvordem Village Panchayat has finally ordered the removal of an illegal crusher plant in the area.

The plant, constructed at Survey Number 8/1 in Guddemol, was controversially built over a natural nallah and within 15 metres of a State Highway, raising a number of environmental and regulatory concerns.

Sarpanch Chinmayi Naik confirmed the Panchayat's decision, noting that the owner of the crusher has agreed to dismantle the plant and clear the site. "However, by the time we went for inspection, the entire crusher was already underwater due to heavy rains," Naik stated. "We then told the crusher owner to remove all machinery immediately, and he himself assured

The crusher plant built over a nallah at Guddemol, now submerged

that it would be done."

Originally granted only provisional approval, the crusher's owner proceeded with full-scale operations, including unauthorised land-filling and tree cutting. The violations were first brought to light through O Heraldo's reporting in collaboration with local activist Swapnil Bhandari.

The Panchayat had issued a stay earlier, yet gave renewal again. The crusher owner seems to have dropped the setup, but we are watching. If the plant is not removed, we will resume our protest and legal process

- Swapnil Bhandari, activist

The second provisional renewal was only to facilitate document collection. But due to water-logging, the process failed. The trenches and tree-cutting incidents will be looked into by the PWD and Forest Department

- Chinmayi Naik, Sanvordem Sarpanch

PANJIM: The Anti-Corruption Branch (ACB) of Vigilance has filed a criminal revision petition before the High Court of Bombay at Goa, challenging a Sessions Court order directing it to register an FIR based on statements made by former Minister Pandurang Madkaikar, and to proceed in accordance with the law regarding alleged corruption.

The Sessions Court (Special Court), Panjim, had passed the directive in response to a complaint related to Madkaikar's public claim made on March 4 this year, where he had stated that he paid around Rs 15-20 lakh to get his file cleared, and alleged that all Ministers are "busy counting money."
