Emergency-era Preamble amendment a 'festering wound': VP Dhankhar, backs RSS call for review

PTI, NEW DELHI/GUWAHATI: Vice President Jagdeep Dhankhar on Saturday said the words inserted in the Preamble of the Constitution through an amendment during the Emergency era were a 'festering wound', lending weight to the call by a top RSS leader for a review of the added terms 'secular' and 'socialist'.

Wading into the political row sparked by RSS general secretary Dattatreya Hosabale's call for a national debate on whether the terms 'secular' and 'socialist' to define India's foundational values should remain in the Preamble, Dhankhar said the Preamble is sacrosanct and "not changeable". He further said the added words were a "sacrilege to the spirit of Sanatan."

Echoing Dhankhar's views, Assam Chief Minister Himanta Biswa Sarma also joined two union ministers--Shivraj Singh Chouhan and Jitendra Singh--to support the idea mooted by Hosabale.

Sarma claimed that 'socialism' and 'secularism' are Western concepts, and said these words should be struck off the Constitution. These words have no place in Indian civilisation, he said at a book launch event in Guwahati.

While Chouhan said "there is no need for socialism in India" and that "secularism is not the core of our culture", Singh said any right-thinking citizen will endorse the call for a review because everybody knows that these words were not part of the original Constitution written by Dr B R Ambedkar. The two ministers made the comments on Friday.

The Congress and other opposition parties have slammed the call made by the second senior-most functionary of the Rashtriya Swayamsevak Sangh(RSS) on Thursday, terming it "political opportunism" and a "deliberate assault" on the soul of the Constitution.

3 Sri Lankans held for illegal entry

PTI , CHENNAI: The Indian Coast Guard on Saturday apprehended three Sri Lankan nationals for allegedly trying to enter into the country illegally, a PIB (Defence) release here said.

The Coast Guard Hovercraft ACV H197 sighted a group of three persons at the "4th Island at about 0800 hrs today while being on routine surveillance."

"The ACV swiftly moved and apprehended them. The interrogation established that all three personnel are Sri Lankan nationals attempting illegal migration from Mannar," it said.

The three men were brought to Mandapam and handed over to the Tamil Nadu Marine Police for further investigation, it added.

Kerala govt doubles down on Zumba dance in schools for anti-drug drive

DANCE TEACHER SENTENCED TO 52-YEAR TERM IN MINOR BOY ASSAULT CASE

PTI, THIRUVANANTHAPURAM: A Kerala court on Saturday sentenced a male dance teacher to a cumulative 52 years in jail for repeatedly sexually assaulting a seven-year-old boy, one of his students, six years ago. Thiruvananthapuram Fast Track Special Court (POCSO) judge Anju Meera Birla sentenced 46-year-old Sunil Kumar to varying jail terms under the Protection of Children from Sexual Offences (POCSO) Act and the Juvenile Justice Act for a total of 52 years. However, as the sentences are to be served concurrently, Kumar will be imprisoned for 20 years, the highest of the varying jail terms, according to the court order. The court also imposed a fine of Rs 3.25 lakh on the convict and directed that if the amount is recovered from him, it shall be paid to the victim as compensation.

not taken any decision to backtrack from the government's present stand," he told reporters here.

Sivankutty clarified the government's position on Zumba dance, a high-energy fitness programme introduced in schools in Kerala by the General Education Department as part

of its anti-drug campaign, facing opposition from certain Muslim groups who argue that it went against moral values.

He said there has been opposition from some quarters against the implementation of activities like Zumba, aerobics, and yoga in schools in the state.

Centre issues model rules to ease tree felling on agricultural land, boost agroforestry

PTI, NEW DELHI: The Centre has issued model rules for the felling of trees on agricultural land in a bid to promote agroforestry with the aim of doubling farmers' incomes, increasing tree cover outside forests and mitigating climate change.

In a letter sent to all state governments on June 19, the environment ministry said the objective of 'Model Rules for Felling of Trees in Agricultural Lands' is to enhance the ease of doing business in agroforestry and incentivise farmers to integrate trees into their farming systems without facing undue proce-

el rules, the State Level Committee (SLC) already formed under the Wood-Based Industries (Establishment and Regulation) Guidelines, 2016 will also serve as the committee for these rules. It will now also include officials from revenue and agriculture departments.

The committee will advise the state government on how to promote agroforestry and increase timber production from agricultural lands by simplifying rules for felling and transit of trees, especially species with commercial value.
