Trump says 'very wealthy' group to buy TikTok

AFP. WASHINGTON: Pres- which faces a looming ban in two weeks. ident Donald Trump said in the United States due Sunday a group of buyers to its China ties, adding he had been found for TikTok, could name the purchasers

"We have a buyer for Tik- with Maria Bartiromo. Tok, by the way," Trump said in an interview on Fox's a group of wealthy people,"

"Very wealthy people. It's

revealing more except to say he would make their identities known "in about two weeks."

The president also said he would likely need "China approval" for the sale, "and I think President Xi (Jinping) will probably do it.'

TikTok is owned by China-based internet company ByteDance.

A federal law requiring TikTok's sale or ban on national security grounds was due to take effect the day before Trump's inauguration on January 20. But the Republican, whose 2024 election campaign relied heavily on social media and who has said he is fond of TikTok, put the ban on pause.

In mid-June Trump ex-

popular video-sharing app by another 90 days to find a non-Chinese buyer or be banned in the United States

Tech experts quickly described the TikTok kerfuffle as a symbol of the heated US-China tech rivalry.

While Trump had long supported a ban or divestment, he reversed his position and vowed to defend the platform – which boasts almost two billion global users - after coming to believe it helped him win young voters' support in the November election.

"I have a little warm spot in my heart for TikTok," Trump told NBC News in early May. "If it needs an extension, I would be willing to give it an extension."

Sri Lankan Navy arrests 8 Indian fishermen for alleged illegal fishing

PTI. COLOMBO: The Sri trespassing into Sri Lankan Lankan Navy on Sunday arrested 8 Indian fishermen and seized their trawler for allegedly poaching in the island nation's waters, according to an official release.

The arrests were made during a search operation in the north of Mannar, the Navy said in a press release.

The eight fishermen and their trawler would be handed over to the Fisheries Inspectorate in Mannar for legal proceedings, it said.

"The North Central Naval Command spotted a group of Indian fishing boats en-

of today. In response, the North Central Naval Command deployed its Inshore Patrol Craft to drive away those Indian fishing boats from island waters, north of Mannar," it said. Fishermen from both
