One dead, 3 injured after hospital building collapses in Kottayam

PTI, KOTTAYAM (KERALA): A 52-year-old woman died and three others, including a child, were injured after a part of the Government Medical College Hospital in Kottayam collapsed on Thursday, police said.

The opposition UDF mounted pressure on Health Minister Veena George to resign and also sought a judicial inquiry into the incident.

The woman has been identified as Bindu from Thalayolaparambu. She was pulled out from the debris more than two hours later and was declared dead.

The injured --11-year-old Aleena, Amal Pradeep (20), and Jinu Saji (38)--were admitted to the casualty department shortly after the incident. All admitted patients are safe, the hospital authorities said.

Bindu had come to the hospital with her daughter, who is being treated there.

The injured child, Aleena, from Meenangadi in Wayanad, had been standing next to her grandmother, who was undergoing treatment in Ward 10.

The toilet complex adjacent to wards 10, 11, and 14 at Kottayam Government Medical College collapsed while the hospital was in the process of fully shifting operations to the newly constructed surgical block built with KIIFFB funds, said Medical College Principal Dr Varghese P Punnoose in a statement.

Currently, patients from the affected upper wards are being shifted to other areas. ICU, operation theatres, and other facilities are also being relocated to the newly constructed surgical block. This process is being carried out on a war footing, Punnoose said.

He said that entry from wards 11 and 14 to this toilet complex had already been completely restricted and that the area was not in current use.

Health Minister Veena George and Cooperation Minister V N Vasavan visited the site soon after the incident.

They claimed that the damaged section was an old, disused toilet area in a block that housed three wards.

One of the women dis-

puted the minister's claim and said it was not an unused area. "No one told us not to use the toilets there," she told reporters.

The opposition Congress party accused the ministers of trying to downplay the seriousness of the accident.
